

Psalms 91:1 TPT

When you sit enthroned under the shadow of Shaddai, you are hidden in the strength of God Most High

- As a child you are enthroned
- His Name overshadow you
- You cannot live your life under the sun you need to come up and live above the sun. Otherwise the tree of the knowledge of good and evil will overshadow you
- We are enthroned above
- Even if we live here it must not be our supply. Mustn't have any impact on us
- We have an assignment governed by the heavens
- You live in His strength and power
- You live and govern from above
- Do not be under the shadow of the wrong things

Job 38:12 AMPC

Have you commanded the morning since your days began and caused the dawn to know its place,

- Command your day – take up a position of authority, management and government
- If you do not govern your day, your day will govern you
- From the place above bring down the command of your day
- We allow our day to challenge and defeat us but you are a son of the living God
- Understand your position that God has given you
- You are living under the shadow of Shaddai – there is goodness and mercy
- Your day wants to tell you that you will not make it but God wants to tell you that He wants to overshadow you with His Name
- Under the sun there will always be a devil that will tell you that you are not good enough but when you are above you no longer see the devil
- God wants to take you up where no devil can survive
- It is time to go up
- When you breath His Name everything becomes to be overshadowed by Him
- Breath the name YHWH
- Command your day and your body, your mind, sickness
- You are under the overshadowing name of Rapha - the Healer
- Begin to govern provision, favour, prosperity, healing, goodness, mercy – in your day
- Respond with your mouth by speaking the Word
- Be enthroned and command your day
- Govern the joy of the Lord in your day
- Stop being a Christian and become a son of God
- Speak Shalom over your day – Peace over your life, a Peace that will swallow the storm in your life
- The enemy wants to keep your mouth shut and he wants you to murmur and speak negativity but God wants you to use your mouth to govern that what is above into your life
- You are the product of what you have spoken in the past but God wants us to change that
