

- That's the problem with Christians, death wants to come to all of us. Death wants to throw his shadow on you
- You don't stay in the valley of the shadow of death, you walk through that valley
- Your real enemy is death
- In Him you move, in Him you breathe and have your being
- David knew how to outwalk death
- Christians stay in the shadow, death is your enemy - walk away
- Christians build up their adversary to come into the scene, you allow disappointment, bitterness, guilt and shame to enter in
- We must begin to understand spiritual warfare
- Don't pray for things in your life that should not be there
- Shift your focus, what you observe you become
- The shadow of death is only a shadow. In Christ, you only can live
- When that shadow wants to fall on you and you do not walk away, you attract lies, you under condemnation - the shadow is not there for you to engage with
- If you are in Christ, you are more than a conqueror
- We went through a lot of trauma and death, but we are not going to stay there
- When you stay in the shadow you become a beacon for your adversary
- We going to walk away from the shadow
- We need to activate things in our lives and command our day
- It's not time for you to sit with guilt, shame, regret and disappointment. It's time to go up and see the goodness God has for you
- You have the power, government and sufficient power of Christ to command your day and walk away from the shadow
- Stay in the upper and take hold of your seat of government
- Do not stay in the negative, walk through it
- You have a good future, the enemy wants to tell you otherwise
- Every time you touch God you touch the future
- Warfare is not commanding the devil, it is observing what God is revealing, governing and commanding it into our lives

Job 38:12 NKJV

"Have you commanded the morning since your days began, And caused the dawn to know its place,

- Tell death to know its place, command your day
 - Doesn't matter if you have failed, your failure does not determine your future
 - Take your heavenly position in the upper
 - Death cannot keep you unless you stay with death. Govern your way out
 - Step away from the shadow of death, don't give attention to it
 - Death cannot kill someone who is already dead; it is no longer I that live but He who lives through me
 - Those who mourn should mourn but you should not stay in there
 - Command the day, say death know your place, you are not in control of me I am a son of God
 - If you do not command your day, your day will command you
-
- Not what you do on a Sunday, it is training
 - It's not what you do on a Sunday it's what you do in the week '
 - Walk away from Christian ideas and become sons

- We must learn everything in our lives through engagement and encounter
- In our Christian teaching we learn by reading
- Christians are the most deceived people, because the Word says become doers of the Word and lean on the knowledge
- Everything in the word of God is meant to just be an invitation, we think the Word is about information but it is for an invitation to engage, encounter and observe
- In the beginning He created the heavens and earth – this in an invite to encounter creation
- When you get an invite, you don't know what it's about, it's only when you go and walk through the door that you will know what the invite is all about
- Everything in the scripture is an invitation is a key to encounter, engage and observe
- God can never give us instruction when we treat the Word as information

Matthew 16:19 NKJV

And I will give you the keys of the kingdom of heaven, and whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven."

- God gives us the keys to heaven to open doors
- The keys take you from one realm to another realm
- Take the key and step through the door
- This is spiritual warfare Matthew 16:19
- God is bringing us into a realm where He wants us to observe him and engage him and encounter what he makes visible and accessible to us
- You will learn what God has permitted in your life, you learn what door is opened and closed
- You begin to take hold of the rod and staff and you walk from the upper and begin to command your day
- David came from one realm and to another and confronted Goliath
- It's interesting that he picked up 5 stones, the letter 5 (HEY) in the Hebrew holds the name of YHWH

Zachariah 10:12 NKJV

"So I will strengthen them in the Lord, And they shall walk up and down in His name," Says the Lord.

- David was not doing a natural exercise, he observed his victory with YHWH
- Observe, engage and encounter
- Every time you take the key and walk from one realm to another you step into your future, you engage with your future
- You can begin to bring your future to your today and your today into your future
- The story of David is an invite to engage with your future
- You have an invite to step into the realm to command your day - confront your Goliath
- Fight the good fight of faith
- When you stay in the shadow, the enemy is keeping you distracted by the things under the sun
- Learn to fight, but the good fight
- Once you observe it, you have permission to administer His kingdom His dimension into your life and command your day
- God has given us gates to engage with Him
- Say Lord I take this goodness and administer it into my life and command my day
- You have a future, command your day, walk away from every shadow and walk in the over shadowing of YHWH
