

- We are stuck because we do not see and come into the engagement of YHWH
- As you see you are transfigured, you are transformed from one degree of glory to the next degree of glory
- You can come before Him with an unveiled face
- Many want to see the problems and struggles but the invitation is to come upon the mountain to be transformed

**Job 42:5 NKJV**

*I have heard of You by the hearing of the ear, but now my eye sees You.*

- One of the gates to YHWH is hearing
- We have heard so much religion and wrong things that you constantly hear and focus on the wrong things
- Give that hearing gate over to YHWH to cleanse it
- In the hearing God can do something with your eyes
- Jesus says that He only did what He saw the Father doing
- If you don't see you don't yet reach sonship and will not grow as a son and stays a servant
- Open your heart and hearing for the frequency of heaven and the heart of God to the point that you will see
- Pastor saw three letters on a scroll and God invited him to walk through the letter. Start to see that he never had seen before. Later he saw again and there were more letters
- In the hearing you begin to see
- Religion taught us not to see and that you cannot see
- Engage with the living scroll that is on the inside of you

**Matthew 13:15 NKJV**

*For the hearts of this people have grown dull. Their ears are hard of hearing, and their eyes they have closed, lest they should see with their eyes and hear with their ears, lest they should understand with their hearts and turn, so that I should heal them.'*

- Christians have become blunt and dull
- We cannot fight the Word
- When your heart is constantly engaged with the things under the sun your heart becomes dull and you hear the wrong frequency
- If you hear the wrong thing you are going to form the wrong things
- Your mouth is soon going to frame that wrong thing
- We can undo what we have framed but you cannot go on the way you used to
- If you go on with what you doing, you will have the same result
- When the gate of hearing is closed the gate of seeing is also closed
- God wanted the nation to come up but they sent Moses to go for them
- Our hearts have become so hard that we do not want to see
- We should be thankful for what our forerunners have pioneered for us a prophetic future
- Our late senior Pastors have said that we will cross over
- When you cross over the first thing that will happen is that the Lord will take hold of you and He will heal you
- We think we are ok until we see Him then we see that there are so many things that He wants to undo in your life
- He wants to set you up for the future
- The old and the new cannot live together

- The old brought you into a certain way of thinking but God want you to see
- Ask God to open and wash the gates of your hearing
- You will longer hear the distorted voice of death but you will hear the goodness of YHWH
- In the hearing you will see
- God want to remove the veil for you to engage with truth
- What you see can become your inheritance
- Allow God to remove the old from you because the old and the new cannot live together
- Get into your secret place and engage with Him
