

Matthew 19:14 TPT

Jesus overheard them and said, "I want little children to come to me, so never interfere with them when they want to come, for heaven's kingdom realm is composed of beloved ones like these! Listen to this truth: No one will enter the kingdom realm of heaven unless he becomes like one of these!"

- God wants us on the other side of the veil
- Our lives are on the other side of the veil
- YHWH has opened the Kingdom realm to us
- Jesus came to open up the Kingdom realm to us
- God does not want us to be hostages in this natural realm, He wants us to be overcomers
- We are born into this realm of man but we are born from above from the realm of YHWH
- Jesus came to the earth to open up the Kingdom realm to us and He wants us to enter in
- As long as we live from the supply of the kingdom realm of man we will always be on the backfoot and we will only be able to come into that what is good but we will not come into that what He has planned and purposed for our lives
- Christ came to introduce us to the heaven realm, He is the door to that realm and He wants us to enter in
- It is a realm of life, power, goodness, mercy, abundance, fire and it is the realm of the sons of God
- From this realm He wants to train His people to be lions on this earth
- It is not God's intention to take you out of the earth but God wants to position you in the earth but your supply is from the realm of heaven
- We need to get into protocol; we say come down and fill the atmosphere but He says come up I want to fill you
- He wants to engage with you so that you can bring down and administrate the supply into your present day
- He has opened the door for you to go up and enter in
- Unless we become like little children we will not enter the Kingdom and see
- Children learn through what they see
- We are children but we want to listen to the small whisper of the voice not knowing who is speaking to us
- YHWH wants you to enter in and become like a child so that you can come into the voice and engage the voice

John 6:40 AMPC

For this is My Father's will and His purpose, that everyone who sees the Son and believes in and cleaves to and trusts in and relies on Him should have eternal life, and I will raise him up [from the dead] at the last day.

- We lack life because we are not like children who see
- If you do not live on the other side of the veil you are going to hijack the generation that is intrusted to you because they observe us that in stubbornness choose to live in a realm of man and does not want to enter the kingdom realm of heaven
- When kids are around fire they cannot leave it alone – they want to play with it because they are reminded of where they are coming from
- Before we came to the earth you were fire, that is why Jesus said you are the light of the world, but we lost our flame because we chose to remain in the realm of the kingdom of man
- We are restricted by our logic and intelligence because there is no engagement and no encounter
- Children wants to play and explore, they want to go up the mountain and they want to see

- Jesus said it is changing, we are His children and we need to enter in
- It is time that we become like children again
- The fruit that we carry is more important to God than what we know
- You can know the Bible from beginning to end but helps you nothing if you do not engage Him
- When you encounter Him it is going to change you and transfigure you to become fruitful
- When we got saved it was a powerful engagement
- You heard the voice of YHWH coming to you and what He accomplished for you and you engaged with faith and your eyes opened up and you saw the potential of eternal life
- You were rescued from your fallen state and in a moment you were transported from one realm into the Kingdom realm
- Your High priest overshadowed you and set you free from the kingdom of corruption and translated you into the kingdom of light and you engaged Him
- Why did that engagement stop for you?
- What you behold, you become
- We sometimes go months in the realm of humanity but Yeshua has opened the door for us to enter in and to see different
- What you see forms and shapes you and it will be your future
- In the kingdom of man you can only settle for things that is good but there is more
- You have a future, it is time to become like a child because the kingdom door of heaven is wide open through Christ

Hebrews 10:19-22 TPT

And now we are brothers and sisters in God's family because of the blood of Jesus, and he welcomes us to come right into the most holy sanctuary in the heavenly realm—boldly and with no hesitation. For he has dedicated a new, life-giving way for us to approach God. For just as the veil was torn in two, Jesus' body was torn open to give us free and fresh access to him! And since we now have a magnificent King-Priest to welcome us into God's house, we come closer to God and approach him with an open heart, fully convinced by faith that nothing will keep us at a distance from him. For our hearts have been sprinkled with blood to remove impurity and we have been freed from an accusing conscience and now we are clean, unstained, and presentable to God inside and out!

- We should come into His realm boldly without hesitation
- Even when you don't feel like it or when you feel that you are in shame or guilt it does not make a difference
- People first want to deal with their issues but it is not working
- The purpose of the High Priest is to receive you just as you
- You cannot fix yourself – you have a High Priest and His name is Jesus
- When the enemy comes with his accusations you need to run through that veil
- Do not fight your accuser, rather agree with him then there is no fight
- Turn your back on your accuser and your guilt and boldly walk through the veil and behold Yeshua
- Repentance is when you walk away from an engagement in this realm and you stand before Him and behold Him
- We need to move away from the natural and step into that what Hebrews 10:19-22 is revealing
- Every person is a gate that operates in a gift and it is a blessing to the church but it is all by measure but the new and the living way is for us to come into a realm of fulness
- Why do you want the gift if you can have the Giver
- We need to become better in our relationships as a church but even relationships can become an idol
- The pastor has his position but he can never replace that what Hebrews 10:19-22 is revealing

- In the Old Testament there was a thick veil that separated the Holy place from the Most Holy place and no one could enter except for the high priest who had to prepare himself for a whole year for YHWH to move him from one realm into His realm – physical matter had to pass through physical matter
- The veil was torn for us to move through not to play peek-a-boo
- Children run when there is an opening
- We can walk through every moment without hesitation
- Your life is not going to be transformed in the realm of man, it can only be transformed when you walk through the veil
- You don't need to have everything together, you come to the other side so that you can get things together
- Every truth that you exercised in this realm connects you to the realm of the Kingdom of heaven this is why you enjoy His goodness and experience blessing
- His true protocol is for us to boldly walk through the veil
- Come into the supply of the great future that He has for you
- Every time you walk through the veil the record of your existence in the human realm stops
- The record of sin in your life stops because you stepped into the realm of incorruption
- There is a High Priest that is fighting for you mediating the will of YHWH
- As you behold the new, a new record is written over your life and you are a new creation
- Every time when you step back into the realm of man you step back as a fragrance of something new because the old has passed away and the new begins to unfold
- In this earthly realm you govern like man and you might handle your children wrong
- Learn to repent to your children very fast
- Love, speak and touch your children
- Educate your children about sex before the world can do it
