

- We are repositioned in the thriving realm and supersede every challenge

**Psalm 92:13 TPT**

*You've transplanted them into your heavenly courtyard, where they are thriving before you*

**Matthew 6:33 KJV**

*But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.*

- Jesus understood our repositioning
- Things will always come against us but nothing will succeed against us because we are already victorious
- Our position is to succeed
- We need to live our lives from above the sun
- YHWH has a real plan for His people – So that we can live a real on earth governed from above
- It is time for the church to take back her position to conquer and succeed
- We are living a life to conquer and thrive
- There is a shift that we need to make
- Do not trust in your own ability and what you have, it will not sustain you or secure your future, it is not your supply
- You are repositioned and transplanted in heavenly places to thrive and conquer
- You are born from above
- We have such a hope – take hold of your position and outwork it in your life
- Senior pastor came into an encounter
- When YHWH presented Himself to Moses He said “I am who I am”
- I am is a present word
- He was unfolding to Moses who He was and who He is to come and He brought it all together in I am
- He manifested who He is in the present
- Senior pastor stood in his heavenly position before YHWH and as he was beholding Him in the I am he saw himself in the I am position and he saw Himself in the spirit body as light, a son, flourishing, a king and a priest. He saw the clarity of I am - flourishing, a king, a priest, etc
- What you behold you become and as he behold I am – Senior pastor starts to see him in his spirit body
- His spirit body turned to his carnal body and said be transformed and be transfigured
- It is important to be repositioned
- His carnal body start to arch with spirit body and take up the identity of this spirit body
- Encounter encounter encounter...
- We have spiritual knowledge but it needs to arch with encounter
- Spiritual knowledge without encounter will make you more religious
- We are serving the King of kings but we are just like the world because there is no encounter
- It is in the encounter that you are transformed and transfigured
- YHWH gave us the ability to take up a different record
- You need to trade in the carnal earthly record
- You are repositioned in a thriving realm in the presence of I am
- You are a king, priest, blessed, prospering, unstoppable, etc
- Become encapsulated with what God say you are otherwise you see your past, the old record, etc

- This will be a year of encounter
- YHWH wants you to behold Him so that you can stand in His likeness before Him and stand as a I am
- When you sort out the chaos and bring back the order and align that is in chaos to its first estate, so that government can come back to your life
- Your carnal body needs to arch with the knowledge of what you behold you become
- We are repositioned in the thriving realm
- When you are positioned in the heavenly realm you are not going to be but you are already
- You are exchanging the record through the Blood of Yeshua
- David was a shepherd boy that had a secret loving the presence of the Lord who loved worship
- He repositioned himself in the courts of YHWH
- He knew his way in the heavenly realm who governed his life from above
- It was impossible for him to become a king but he saw the I am and saw himself as I am a king, a priest, a warrior, etc. He engage with the Father
- He saw what the Lord did to his enemies in the heavenly realm
- By the time he stepped onto the battlefield he could not understand why the armies were in fear because he knew His God. His life was governed from a different Kingdom
- He had many challenges but he was able to take the record of sin and guilt and trade it in
- Your future and your destiny depend on it. Without it, you never can encounter I am
- Align your carnal body to who you are "I am"
- You need to engage I am to see who you are
- You need to constantly remind your mind of who you are
- Align who you are to I am
- You have access to a flourishing realm and you need to behold I am
- When you come before challenges you need to administrate what you encountered before I am
- Encounter...
- This is a year of encounter
- Stand as I am because your Father presented Himself as I am
- If David's life could be transformed from a nobody to a king then surely your life can change as well
- We do not know who we are because we do not encounter I am
- We struggle to love because we do not encounter love
- We can't determine our I am from under the sun
- When we face challenges we are down and we can no longer love because we have not truly engaged Love
- You are blessed. You are alive
- Take the knowledge and get to an encounter with YHWH, so that you can stand again
- We are going to break out when the church starts to understand I am
