

Partnering with Parents

Your Children's Church leadership team is committed to partnering with parents.
We want you to be aware of the Bible teachings and focus of each Children's Church service.
This resource is for you to assist your child in growing in the Word of God and his/her walk with Jesus.

Dear parents, just to remind that we share each Sunday the same Word that has been shared the previous Sunday morning service at DIFC, as it is our Senior Pastors' hearts that the children should hear the same message as the adults and youth.

This week's theme: God has MAXIMUM Life for us in 2010

Pastor W.C. Du Plessis

- **Receive maximum capacity into your spirit - God wants to add to us immediately**
- **You cannot experience maximum unless you meet God face to face on His terms**
- **God has called us into fellowship with His Holy Spirit**
- **Fellowship is to interact, engage, eye to eye, communication, heart to heart**
- God will change your name, your nature and your weakness – God wants to reveal Himself to us
- God has no favourites, He cannot wait for each of us to come and meet Him face to face
- **When you meet and encounter God face to face He changes your circumstance, your nature and increases your capacity**

Lesson: Gen 28:12 - 16

God cannot wait to see you!!

God has something special to tell us each new day – it is like meeting God secretly!

God can't wait to visit with you! He wants you to see Him, to talk to Him, to have a good time with Him! It is a lot of fun & excitement to visit with God!

There was a person in the Bible who had such a good time when He visited with God and God enjoyed it so much that He gave this person even a **NEW NAME!** This person used to be **JACOB** which meant something really bad, it meant **LIAR & CHEATER**, but after visiting with God, God changed his name to **PRINCE OF GOD!**

Wow! Isn't that just **AMAZING!!!**

This was not all...!! God showed him the most awesome picture of heaven! Of angels walking up and down a ladder from heaven to earth! God wants to do the same for us! He wants us to see what heaven looks like.

He wants us to see what He looks like. God can only do these amazing things if we visit with Him!!

So, we need to never forget or neglect to spend these special times with God.

God wants to become our **BEST FRIEND**

Memory Verse: Psalm 91:1 HE who dwells in the secret place of the Most High shall remain stable

Bonding with your child:

This week's Word is **SO POWERFUL & HAS THE POWER TO** change our lives **FOREVER!!**

Let us as parents / children ministers **ALLOW** our children to experience God uniquely. Let us not limit them, in fact we as adults carry far more limitations when it comes to fellowshiping with God than our children. They accept God unconditionally..we want to encourage you as a family to value and make of the highest importance to step into God's Presence regularly and thus start to see the results of a **MAXIMUM GOD** in our family lives!
