

# Partnering with Parents

Your Children's Church leadership team is committed to partnering with parents.  
We want you to be aware of the Bible teachings and focus of each Children's Church service.  
This resource is for you to assist your child in growing in the Word of God and his/her walk with Jesus.

Dear parents, just to remind that we share each Sunday the same Word that has been shared the previous Sunday morning service at DIFC, as it is our Senior Pastors' hearts that the children should hear the same message as the adults and youth.

## LIVING UNDER GOD'S KINGDOM

SENIOR PASTOR HL BESTER

### 1. God will reveal Himself to us

- **Make God the priority** - He wants to reveal from His Throne exactly what He wants you to do
- When you get into God's atmosphere – things change

### 2. Now is the time of God

- Now is the time for the favour of the Lord
- Prophecy over your own life, release it over your own life – "I'm the Boy / Girl that God is going to use, I will do a great work for God"

### 3. God has prepared us and He has called us

- Get totally free, make sure that God stays No.1
- Draw from Heaven, carry it inside of you

### 4. God will provide

- We must walk in this New Life, then God will provide
- Break with old / wrong patterns and habits
- We have no Fear in God's Spirit

#### Lesson:

It is amazing when we look at the life of Daniel to see that He had NO FEAR in him. He was not scared to pray three times a day to God with his window wide open, for everyone to see! For some people, this was crazy! As the king of the country would throw you in a den of lions for not worshipping him. Daniel put God first, and for that, God revealed Himself to Daniel as the God who will protect him even from hungry lions! The king of the country was so amazed to see that the lions did not eat Daniel that he changed the rule he made that everybody should worship him, to A NEW RULE: everybody should worship the God of Daniel, the one true God!

Just as Daniel put God first and remained in God's presence, God wants you and me to remain in His presence, and then things will change! Just like the king of that country changed his rules to new rules to worship God. We must say of ourselves **"I AM THE BOY/GIRL WHOM GOD WANTS TO USE!"** The more we say it, the more it will happen. God wants to show you things from heaven. Daniel saw things from heaven. He spent so much time with God, that God showed him great and wonderful things taking place in heaven. God wants to do the same for you!

**Memory Verse:** Acts 2:17 "...I will pour out My Spirit on all humanity; then your sons and your daughters will prophesy..."

#### Bonding with your child:

Praising and Worshipping together, can lead you as a family into God's Throne Room. Our children carry fewer limitations experiencing God and His fullness. Let us as parents create opportunities for our families to worship God in Spirit and in Truth and thus start to experience His Fullness, Grace and Peace in our family lives.
