## DUNAMIS INTERNATIONAL FAMILY CHURCH

---

### THEME: WE HONOUR GOD FOR HIS SON JESUS CHRIST

5 April 2009 – Morning Service 1

Senior Pastor HL Bester

---

#### Communion:

- The table belongs to Jesus
  - When we use the table, it brings out a higher respect for Jesus
  - The only way for us to respect Jesus is to honour Him in our day to day lives
  - We will be able to overcome and become strong if we respect Him
  - We can live victorious lives
  - Live for Jesus everyday and He will come through for you even in your darkest hour
- 

#### • 'Honour You Jesus': Overcome the works of the enemy

- The bible says that Jesus became a curse that you can have freedom and be blessed
- Don't allow anyone to put a curse on you
- Nobody can put a curse on you because Jesus already paid the price
- It is a great privilege to know Jesus
- We are the seed of Abraham and we can have more than Abraham
- There is no greater Savior than Jesus Christ
- Our walk and talk must honour Him
- We must stop our Sunday mentality
- We must have a Jesus mentality, every minute and every hour

#### Galatians 3:13-14

- Thank you for the power of the blood

#### 1. Because of this oath, Jesus has become the guarantee of a better covenant – Hebrews 7:22

- We have great hope
- The world will get worse but in God's Kingdom things will get better
- Jesus is our guarantee for this
- If we stay faithful to this covenant, everything will become better for us in Him
- If you serve Him, you will begin to live a better life
- Without Jesus we can not make it in this life
- Jesus is the One who enables us
- You will not become a curse for someone else, but Jesus became a curse for all of us

#### John 11:25-26

- We don't only live this life, we live to have eternal life with Christ
- We must worship God forever, not only here on earth but forever
- Because of the blood of Jesus, we can worship God forever
- You carry the life of Jesus on the inside of you

#### Job 19:25 "I know that my Redeemer lives"

- Your Redeemer, Jesus must live in you
- If He is not living in you, you can not overcome
- We overcome because of Jesus Christ

## **2. This power is like the working of His mighty strength – Ephesians 1:19**

- The church is still poor because the church does not believe in the power of God
- The same power that raised Jesus from the dead, is in your spirit
- We did not only receive power but also the Holy Spirit and a heavenly tongue
- When we use our heavenly tongue, we speak directly to God and heaven
- We must have respect for Jesus – don't speak against Jesus
- We must realize how important Jesus should be for us
- He must be more important than your spouse or your best friend

### **1 Corinthians 14:2**

- You can not receive a heavenly tongue if you have not received Jesus Christ
- We must speak our heavenly language every day
- Your life will increase when you use your heavenly language
- The apostle Paul said he spoke more in tongues than anyone else and that is why he was used so mightily

### **John 4:23**

- How can you worship God in Spirit and truth if you are not filled with the Holy Spirit?
- We will worship God with truth
- We will worship Him in the spirit
- When you uplift Him, He uplifts you
- We still listen to man more than to the true God
- God wants to speak into your heart and tell you about the great things He wants to release to your spirit
- Make a decision to stay away from negativity
- When the spirit of God comes into your spirit, no negative thing can come into you
- God wants to release destiny into your life
- The church is so poor
- The things you have (materialistic) must not influence you to worship God
- You don't worship God for what you've got, you worship Him for who He is
- The reason most people can not stay under God's influence is because we don't stay in contact with Him all the time
- Where is the power of the Holy Spirit?
- The church have become like the world
- If God lives in you, the signs and wonders must take place every day
- Where is the healing power? ..not for the body only, also for your soul
- A lot of people in the church are still negative
- Christians want to run away
- We forget that God is still in control
- How can God change a country with believers that don't believe anymore?
- The only weapon Jesus has is the believers
- The only people who can change the country is Jesus
- Where would you be today if it was not for Jesus?
- We still don't know the strength of Jesus blood
- We don't know the power

## **3. Christ has indeed been raised from the dead – 1 Corinthians 15:20**

- He is no longer dead, He is sitting on the right hand of God
- He has desires for you and for the church
- He rules and demands
- He is Jesus and He sits at the right hand of God the Father
- **One of Jesus' desires is that families must become strong again**
- The fathers must stand up in the morning and open his family's lives for the fullness and blessing of God
- Your work is the beginning of your income, it is not the final thing
- We don't know how Jesus intercedes for the families before His father

- Where are the strong families in our land?
- The leaders of the country don't carry the government of God in them
- Us as Christians must carry the government of God on the inside of us
- Know your position before Jesus
- Allow His government to be in you
- We must take up responsibility to do what God has called us for

### **1 Timothy 5:8**

- You are worse than an unbeliever
- We come to church and we want Jesus to do everything and we don't do anything
- Jesus is in heaven and we must become here on earth what Jesus was here on earth
- He wants you to have life, life in abundance
- When you sit under His throne, when you hear His voice, you get the understanding that you have government in you
- God has made the decision that He wants to restore families – it is God's decision
- If you don't work with God, He will give you over to the devil
- The devil will destroy you completely
- Women fight men and men fight women – because we are not under the government of God
- We must stand in relationships of honour with one another
- A Godly family life is when the husband loves the wife and the wife submits willingly under her husband
- When the husband and wife stand together, there is unity and blessing
- There are mothers who are jealous of their children
- There are fathers who are not willing to become strong men
- Husbands must stand before God and accept their authority
- God wants families to win the world
- In this church your marriage must become strong or there will become division
- Husband and wife must desire to make their marriage 100% accurate before God
- Men must stand before God and allow God to take them to places that they've never been – to take up full responsibility
- Some men are lazy
- God wants your wife to see His glory through you
- If you serve Jesus, it costs your life
- Jesus is the Son of the living God and when you serve Him, your whole family can become strong
- The curse of poverty must be broken in the family
- Desire to bring increase

### **4. His power is to take sickness away from us**

- **According to the bible you can live until the age of 80 without sickness**
- **It's the blood of Jesus Christ**
- **His power is there to take away**
- **His power is taking sickness out of me**

### **Psalm 107:20**

### **Exodus 23:25-26**

- You can not give your best to God if you are sick
- We live with sin and unhealthy things and that makes us sick
- When God says He wants to take away sickness, He wants us to co-operate with Him
- His power takes away the sickness
- Make sure you eat healthy
- God wants to give you a long lifespan
- People still use sickness to draw attention
- If you are a Godly family, you can lay hands on one another and God will heal you
- Sickness must not be part of your family's bodies

- God has the power to take away sickness
- Sickness starts in the mind
- Sickness in the spirit
- Sickness in the body
- God is the God of the Healer

**Luke 4:40** – He healed them

- His power takes away the sickness

**YOU MUST PERSONALLY BELIEVE THAT GOD WANTS TO HEAL YOU AND THAT YOU WILL RECEIVE HEALING**

**Close:**

- **The fall of Adam**
- With the fall of Adam, God immediately started planning the restoration of mankind
- God sent Jesus
- God has restored everything for us to have access to it
- It is our responsibility to stand in unity with God
- The wives want to play emotional games with their husbands
- The wives must serve God with the husband
- The husband must set the standard and conditions
- God wants to heal you, you must believe it this morning
- According to what you believe, it will happen this morning
- Believe in your healing this morning
- Give your life over to God today
- You must have faith to receive your healing
