THEME: CHURCH, GET READY THE FLOOD IS COMING

3 May 2009 – Morning Service 1

Richard Kuit

- This flood is around the corner, we need to get ready
- It is going to be a generation that is uncompromising, they are going to be unlimited in God's power
- If you have faith like a mustard seed, you will move mountains & nothing will be impossible for you
- Everything that is in the scriptures, will be possible
- We must come into alignment with God's Word

Genesis 1:28 *"And God blessed them. And God said to them, Be fruitful and multiply and fill the earth and subdue it. And have dominion over the fish of the sea and over the fowl of the heavens and all animals that move upon the earth"*

3 GIFTS THAT GOD HAS GIVEN MAN & WOMAN

1. The gift of fruitfulness

- We need to bear fruit as Christians
- God is tired of people that misrepresent His Kingdom
- God is going to sort things out. The fear of God is coming back to the church
- Our lives must change on a regular basis
- **What happens when a flood comes?** It cleans the earth, it takes away everything
- If you are not prepared for the flood of God, you have a serious problem
- **God is saying:** "Church you need to get ready, the flood is coming"
- God is sending something great on our way
- In your personal life you must get ready
- **Are you busy preparing yourself for what God is going to do?**
- God is not busy with a game
- **Start preparing your ground before God**
- The Word is like a seed. Are you receiving the seed of God? **Is your ground full of stones or weed? Your soil needs to be prepared for God to work. Your ground must be deep enough**
- "Church, prepare your heart before God"
- **God is going to split this church in two:**
 - People that are completely sold out
 - People that listen to the Word, but only give that what will benefit them
- **"Change your heart, before the flood wipes you out"**
- **God is going to shake everything. What is from God will stand & that what is not from God will be taken away**
- What do you do during the week or in your inner room?
- **Make a decision to come into alignment**
- **Faith is believing in God, not a feeling, not an emotion**
- **Where is your faith when it comes to God?**
- God is not going to go according to what we want, we must come into alignment with Him
- **It is a decision to come into alignment to what God releases**
- **You are only strong if your spiritual life is in order**
- We need to get active now & start following in senior pastor's footsteps

2. Multiply

- God will allow you to start multiplying
- **If you are not in God's presence how can you receive the revelations from the pulpit?**
- **You need to get connected to God so that you can start receiving straight from God**
- There is a constant momentum that God is busy with
- Every Sunday there is a constant momentum
- Don't expect to step into the same blessings that the senior man walks in if you are not aligned
- **Go to God & ask: "What am I busy with?" Start crying out to God. Sacrifice & pay the prize**
- **Gold does not come easy, it is precious. God's Kingdom & His Word are precious**
- We allow our seed to be suffocated. Go to God & get those issues sorted out
- **Get addicted to God, then addictions in your life will fall away**
- **We must have fulfillment in God**
- **How serious are you to start getting connected to God?**
- **How serious are you to come into the environment: "anything is possible"**
- **God is busy raising up a generation of no compromise**
- Paul got stoned because of proclaiming the Gospel. Everybody thought he was dead, but God raised Paul, he stood up & the next day he went into the next city & preached
- **It will be a generation that is fearless**

3. Replenish the earth & subdue it

- **We need to refill, restock & take control**
- **You should be releasing God's presence in your area**
- **You should be taking control in your area**
- "My yoke is easy & my burden is light" – you need to believe
- **The church is not walking in the power of God because they do not believe it**
- **Your mindset will not be controlled by the worldly system**
- **There is no compromise in God's Kingdom**

Revelations 3:15-17 *"I know your works, that you are neither cold nor hot. I would that you were cold or hot. So because you are lukewarm and neither cold nor hot, I will vomit you out of My mouth. Because you say, I am rich and increased with goods and have need of nothing and do not know that you are wretched and miserable and poor and blind and naked"*

- **God is not going to compromise with us. He wants everything**
- **You need to be sold-out for God if you want to be ready for the flood**
- **To God you are either with Him or against Him**
- **Prepare your ground in the spiritual realm**
- "On this ground I want to release My life, My seed, but if this ground is not in order, I cannot release My seed"
- A farmer removes the things that will kill the seed before he sows the seed

Joshua 3:5 *"And Joshua said to the people, Sanctify yourselves, for tomorrow Jehovah will do wonders among you"*

What does prepare mean? You are ready, equipped, geared up and organized

- **You must be set up for what God is doing**
- **Don't let the move of God catch you unaware**
- E.g. 5 of the virgins were foolish & 5 of them were wise, they were prepared & took extra oil with. The other virgins did not prepare themselves & they did not go in
- **Are you prepared for what God is busy doing now?**
- **"Is God going to be able to use me as a vessel & do something great through my life?"**
- **It is God's desire that no-one will be lost**

- Senior pastor needs people that will stand behind him & it is already happening
- **God is going to do something so great so quick that we are not going to see it coming**

If you are not prepared & ready you need to do the following:

1. **You need to repent & say:** "please forgive me for not hearing your Word & preparing myself to receive"
2. **You need to report for duty. Go to your leadership & say:** "I have not prepared my life & got myself ready. I am now ready to do something for God, use me on your conditions, not my conditions"
3. **You need to take up responsibility for your own life**
 - **God has placed the five-fold ministry to strengthen you, you need to face your giants & kill your giants**
 - **You need to start believing in God the same way David believed in God, you need to take hold of the giants & kill the giants today**
 - **Become tired of the giants in your life, kill them otherwise they are going to kill you**
 - "God I am going to come into alignment & start heading to your Word 365, 24/7"
 - **If God is in control, you are save**
 - **Believe in God in such a way that nothing will be impossible for you**
 - **Be unstoppable, be unshakeable**
 - **God is busy with an uncompromising generation – "we are going to give our lives to Your Kingdom 365, 24/7"**
 - **In DIFC you cannot be a "normal" Christian, senior pastor is setting the example**
 - **Your foundation must be God, if not, the world will destroy you**
 - **Get your family, your work, your stuff in order – get a diary!!**
 - **DIFC is going to multiply upon multiply**
