## DUNAMIS INTERNATIONAL FAMILY CHURCH

---

### THEME: GODS PEOPLE MUST WALK INTO THEIR DESTINY

10 May 2009 – Morning Service 1

Senior Pastor HL Bester

---

**John 1:12-13** *"But as many as received Him, He gave to them authority to become the children of God, to those who believe on His name, who were born, not of bloods, nor of the will of the flesh, nor of the will of man, but were born of God"*

**For those who believe on His Name, got the right to become children of God, they are born out of God**

- We are doing new things
- He is raising up a generation under Him that will walk into destiny
- **Take hold of the word:** "you are born out of God"

**James 1:16-18** *"Every good gift and every perfect gift is from above and comes down from the Father of lights, with whom is no variableness nor shadow of turning. Of His own will He brought us forth with the Word of truth, for us to be a certain first fruit of His creatures"*

- We must become the first fruits of God
- We must believe in God, slavery and poverty are not part of our lives
- If you believe in church and religion you can still be poor
- **God wants his children to be free, establish and take over**
- Stay confident in God

**Hebrews 10:35-36** *"Therefore do not cast away your confidence, which has great recompense of reward. For you have need of patience, so that after you have done the will of God you might receive the promise"*

- **When we do the will of God there will come a time that God's promises will come to us**
- **ARE YOU GOD'S CHILDREN, ARE YOU BORN OUT OF GOD?**
- **We must walk in prayer and we must walk in prophecies**
- **We must start praying what God wants us to pray, God wants to do great things**
- **Everybody that gets connected to senior pastor, receives promises**

#### 1. We are God's people: we are promised people

- We must walk in the light of God. Stay in the light, you are a promised person
- "I AM A PROMISED PERSON"
- We are promised people. Have life in abundance
- Sit around God and hear what He is saying to you
- **When you are near God you will hear the Spirit of the Living God speaking to you:**  
"I want you to live in abundance"
- Stop thinking negative about yourself, even if things go wrong
- The world and the future need us because we are promised people
- We are God's people
- We must get the slavery mentality out of our system/mindset
- The people were in slavery, He took them out, God promised them the Promised Land
- Shake of the slavery mentality, it belongs to the world
- You cannot be a promised person and you think slavery
- Your world must be God's world
- God doesn't want you to have slavery. Get rid of the law of sin and death

**Romans 8:16-17** *"The Spirit Himself bears witness with our spirit that we are the children of God. And if we are children, then we are heirs, heirs of God and joint-heirs with Christ, so that if we suffer with Him, we may also be glorified together"*

- Receive the spirit of sonship
- If you are a son, you are a promised person
- Your spirit will testify with the Spirit of God that you are a son
- People that connect with you must become strong and receive promises
- Know that you are born out of God, you are a new generation, a new nation, under God's covering

## **2. God's people must learn to stand in relationship**

- Joshua was with Moses 40 years in the dessert, he was part of a desert experience
- The day when Joshua moved into the Promised Land, he was made already
- "If it is going well I stick with you if not, I move away" that speaks of the fact that you do not stand in relationships
- **You will never make it on your own**
- **People that support and trust a leader in a church, God will make them. While they are busy supporting the leader, God will make them strong while they are supporting**
- **If you want to do things on your own, you are a prime target**
- If you are born out of God you must accept God's authority
- Today people are dying because they are not supporting the leader of the church
- When the relationship are strong God can work fast and quick
- Joshua won Cities because his relationships were strong, he was connected, he supported Moses
- God is raising up a nation and people for Him
- Relationships are not always easy, you cannot just leave one another
- God's people must learn to stay in relationships, there is no controlling spirit
- God expects us to trust and support the leader, submit to His pattern
- **Godly relationships, take us to our destiny**
- **You stand in relationships not to control, but to take over**

## **3. Gods people must live in the Spirit**

- If you live in the flesh, revival will not take place in your life, because revival comes from God

**Romans 8:6-9** *"For to be carnally minded is death, but to be spiritually minded is life and peace, because the carnal mind is enmity against God, for it is not subject to the Law of God, neither indeed can it be. So then they who are in the flesh cannot please God. But you are not in the flesh, but in the Spirit, if the Spirit of God dwells in you. But if anyone has not the Spirit of Christ, he is none of His"*

- **If you are not pleasing God, why must He release revival?**
- Born again people must live in the Spirit always until they die
- **People that live by the Spirit, carry life and peace**
- Sinful people carry problems
- **We must get God's Spirit over our lives, because you will know how to be successful in all areas, because God will not withhold, He wants to release to His people**
- When you live in the spirit, revival will take place
- Everything you handle must grow, e.g. marriage, relationships with people etc
- **Let God break out**
- **God is going to do amazing things**
- **If the Word and the Spirit is in you, you cannot be the same**
- **Senior pastor senses the fire of the Lord**
- **In the future there will come a division/separation in the church, people of God and people of church**

- **Prayer in senior pastor's heart:** "God, take your people to the next level"

**Ezekiel 37:12-14** *"Therefore prophesy and say to them, So says the Lord Jehovah: Behold, O My people, I will open your graves and cause you to come up out of your graves\_and will bring you into the land of Israel. And you shall know that I am Jehovah when I have opened your graves, O My people\_and have brought you up out of your graves. And I shall put My Spirit in you\_and you shall live\_and I will place you in your own land. And you shall know that I Jehovah have spoken and have done it, says Jehovah"*

**Jeremiah 29:11** *"For I know the purposes which I am purposing for you, says Jehovah, purposes of peace and not of evil, to give you a future and a hope"*

- Because God has great plans for us, it is important to stay connected to God
- Pray that the graves in our lives will go open
- You are in a grave, there is no change, no improvement, you stay the same, you are stubborn, you are staying in your grave, you are dead, you are not touching people's lives. If you don't touch people's lives, you are dead, even if you are sitting in church
- We cannot go back to the desert

**Proverbs 18:21** *"Death and life are in the power of the tongue\_and those who love it shall eat the fruit of it"*

- **Get rid of the grave experience**
- **The cycle of death must come to an end, but it cannot happen if you do not trust and believe in your destiny**
- **When you believe you can never be negative**
- How many times are you negative? You prophecy circumstances
- **You cannot live in the Spirit if you are not born out of God**
- **The new future of DIFC is still in the Spirit**
- **The cycle of grave and death must come to an end**
- **It is time that we pray and prophecy**
- Prophecy that the graves will go open
- **We are supposed to explore and expand**
- **God wants to do more and more**
- **GET OUT OF THE GRAVE, THE SPIRIT OF THE LORD MUST GET ALIVE IN YOU!**
- Daily we must pray
- **We don't realize how much authority we give to the devil through our talk**
- **Never take the first report you get, never accept that from God**
- **Don't believe in sickness, fight it**
- **Be careful:** Cannot prophesy and also be negative
- People that love church and religion, will sometimes walk out of church
- There are people that love the grave
- Take up responsibility for who you are
- **Warning from senior pastor:** Don't go home and try to prophesy, but you are negative, it will not work, it will backfire
- When you prophesy, you must stick to your prophecy
- **IT IS TIME THAT WE PRAY AND PROPECY**
- Stand on the hill
- We must start prophesying in the spirit world
- God wants His people out of the grave
- Pray the will of God over your life, it is the safest place, when it happens, don't run away
- **Don't let your gift take you where your character cannot keep/hold you**
- Some of us have great gifts, but your character is weak. **Why?** Because you are not standing in relationships
- In DIFC there are no weaknesses in the senior pastor's couple
- Something amazing is going to happen in DIFC

### **Homework**

- Go and prophesy that God will take you out of the grave
- God wants to take you to the next level
- Learn that life and death is in your tongue, make a choice, choose life

### **A great secret**

- Share your dreams with your spouse and start prophesying

### **Senior pastor HL Bester**

Lord revival is coming. We are going to breakout of everything, we are going to breakthrough. Do great things. The revival is breaking out. Revival is coming our way. We will conquer the City step by step. God gave senior pastor a promise that He will give him the City. The City belongs to God, it does not belong to the world. You will open the doors in the spirit world. Open the doors, open the doors in the Name of Jesus. We will get land, the devil tries to withhold. We prophesy that You will give us land, Lord give us the land. Senior pastor saw the picture, God is standing and looking over this church, God's eyes were accurately on this church. God will start releasing His words on His time. A guarantee: When you start prophesying, God is going to confirm things over your life you will not be able to handle it

### **Senior pastor PN Bester**

Lord we pray that your will reveal Your glory like never before. We pray for a manifestation of Your glory that we have never seen, revival will break out like never before in our lives, we will become unstoppable, tiredness will go in the Name of Jesus, a spirit of being unstoppable like never ever before, a strength in our legs that we will outrun the horses, break out and go forth to the North, South, East and West, death will go in the Name of Jesus, people will come out of the graves and will come alive in their spirits because of the revival that will break out, because of the glory of God that will be manifested in the church, cell, zones, region, like never before, revival is going to break forth in every pastor's live, fire will burn in their lives like never before, there will be no place for religion, dignity, we will forget about who we are, because we will be the people the way You want us to be, You are going to touch Your leaders with Your fire, I see in the spiritual realm rats running, because of Your glory that is going to be manifested, revival that is going to break forth and spread over our City, we prophecy life to come forth, death, poverty, religion, abuse, slavery, addiction will go in the Name of Jesus, thank you for what You are going to do. Greatness over each person, they will be called great and blessed for the glory of Your Kingdom

- **Release that you are moving into a new destiny, break out and prophesy**
- **Circumstances will stay the same, but if you change, everything will change**
- **"I am a new person"**
