
DUNAMIS INTERNATIONAL FAMILY CHURCH

THEME: GOD IS RAISING UP A UNITED CHURCH

7 June 2009 – Morning Service 1

Richard Kuit

- God is going to do something great! Be ready, prepare yourself, get in alignment, otherwise you will miss what God will do!
- **There are 2 generations**
 - The first generation was the generation that stayed behind with Moses
 - The second generation was the generation that was one of heart, one of mind & then functioned as one unit

1. First generation

- Get the Israelites out of Egypt, God did signs and wonders
- After the Israelites were taken out of Egypt & they saw signs & wonders, they were taken to the desert. Even though they seen God work, they still complained. God brought them to Canaan, the report was that this was a place of abundance. God brought them to the place where they never thought they would be. The problem was the people in Canaan were strong & big (giants). God said: "go in & possess the land!" but they said: "no, we cannot do it!" They were looking at the problem through fleshly eyes
- There are people in church hearing the Word of God, but they are not responding, they will fall behind & not taste the revival
- God is raising up a church that will accurately represent His Kingdom
- **Accurately:** Precisely, correctly!
- When people look at you, what do they see, do they see God's Kingdom?
- **God is bringing division in church:** A church that will obey the Word of God & will come into alignment to what the Word of God says & then people that hear the Word of God & do not respond

Joshua 1:8 *"This book of the Law shall not depart out of your mouth, but you shall meditate on it by day and by night, so that you may be careful to do according to all that is written in it. For then you shall make your way prosperous and then you shall act wisely"*

- Meditate on God's Word day & night. Meditate on what God is releasing
- Joshua meditated on the word of Moses day & night, they did not only meditate but they did what the Word said & aligned themselves with the Word
- The Word builds faith
- We as a generation must have faith & must not fear, we must be strong & courageous
- Faith makes you strong not knowledge, God is not interested in your ideas. God is looking for a generation that will obey Him, that will not question Him, they will not complain, they will not have excuses
- Get into alignment of God! Don't live like the first generation
- God is not looking at your ability. He is looking at your heart. Is this a generation that is one in heart one in mind?

Joshua 1:16-18 *"And they answered Joshua, saying: We will do all that you command us and wherever you send us we will go. Just as we listened to Moses in all things, so we will listen to you. Only may Jehovah your God be with you as He was with Moses. Whoever rebels against your command and will not listen to your words in all that you command him, he shall be put to death. Only be strong and of a good courage"*

- Stop fighting the man of God & the Word of God
- In the New Testament there is mercy & grace but if you don't obey you will die spiritually
- God has released senior pastor to take us forward, he is chosen
- If you are not connected to the set man & God you are going to die spiritually

- If you question everything that is released by the set man, you are fighting him
- Something is wrong if you question & fight the set man, go to God & sort your heart out
- Prepare yourself, when the Word is released, you will catch it
- Religion will kill the seed of the Word & you will become negative
- God loves you, but He will not compromise because of your bad lifestyle or circumstances
- Stop with excuses, if you really want to, you will, change! Come into alignment
- God is raising up a church that will be of one heart & one of mind

2. New Testament church, the church of acts

- Get connected to people that are higher in the spirit
- Spent time with God, worship Him, if you don't do this you will stay behind in the desert with the first generation
- The Church of God is growing in spirit all over the world, the Body is starting to rise up with one heart & one voice

Acts 2:42-47 *"And they were continuing steadfastly in the apostles' doctrine and in fellowship and in the breaking of the loaves and in prayers. And fear came on every soul. And many wonders and miracles took place through the apostles. And all who believed were together and had all things common. And they sold their possessions and goods and distributed them to all, according as anyone had need. And continuing with one accord in the temple and breaking bread from house to house, they shared food with gladness and simplicity of heart praising God and having favor with all the people. And the Lord added to the church daily those who were being saved"*

- **New Church**

- **5 Attributes that the new church was steadfastly continuing in:**

- Listening to the apostles teachings
 - Fellowshiping, relationships with trust
 - Sharing communion, reminding you of your purpose, it's connecting you to Jesus Christ
 - Praying, spending time with God
 - Praising Him, spending time with God
- If God says to you: "Go into the Promise Land" & you are not connected, you will not be able to handle the greatness of what God wants to do, stay connected & think big
 - They do not live for themselves & for their own needs. They live for one another. Religion brought in death that is not from God
 - If you are connected to God you must be connected to people. If you love God, you must love people. If you give your life to God you must give your life to people
 - Stop gathering for yourself, God is getting a people that is going to shift their focus to God's Kingdom, & at the same time they will live for one another
 - Living for one another is accurately representing God Kingdom
 - We need to be in unity. Get the same heart & mind as the senior pastor. God chose a man, that is how God operates, get into alignment
 - Get your heart & lifestyle on the same frequency
 - When the Kingdom unifies, it releases miracles
 - The Word of God will spread fear into the nations & everybody will hear about the greatness of God & His ability
 - Get the focus off yourself, get the focus on God
 - If the Israelites did not unite at the walls of Jericho, the walls wouldn't have fallen. They were one of heart & one of mind
 - They understood their purpose & destiny, they knew who God was
 - God wants to take us to the next level
 - God's church is going to act like one unit, they are going to think the same
 - **Our weakness:** We all want to be great, God chose a man. Submit, get yourself in alignment so that God can do a great thing through you
 - Your own thing will consume you & will spit you out & you will die

Acts 1:14 *"these all were continuing with one accord in prayer and supplication, with the women and Mary the mother of Jesus and with His brothers"*

- God is looking for a church in unity, you cannot have 10 heads, there needs to be one leader & the rest need to follow
- Get rid of your own agenda & idea. Get aligned with the plan & vision of God
- Don't be a generation that complains & murmurs

Acts 4:32 *"And the multitude of those who believed were of one heart and one soul. And not one said that any of the things which he possessed was his own. But they had all things common"*

- Be a generation of one heart & one soul
- When you gather earthly possessions for yourself it has no value, live for each other
- Give your earthly possessions away, the real value is in God not in your possessions
- When you withhold your money, you are not in alignment with God
- You are not going to taste the goodness of God, you need to start letting go, give of your time and give of your money
- Our focus/energy must be shifted to God & His Kingdom
- Stop fighting for yourself & your own stuff, fight for God's Kingdom
- God is raising up a church that will come into alignment with Him, a heart that is the same as God's
- Follow the appointed man, obey him, he is God appointed, don't be religious
- Joshua understood the importance to be unified
- In the old days if the army's were not in unity they lost their battles, but if they unified, they were unstoppable
- God wants a church that is unified, strong & that trusts God & one another
- Jesus is our greatest example, what did He do? He gave His life, everything He had to us
- Jesus had everything but He chose to give His life to us
- People have issues with each other, that is not accurately representing His Kingdom
- Stop saying negative things about each other, you will not be part of the new generation
- Daily people accepted Jesus, that is revival!!!
- Be completely sold out for each other & God. In that God will send revival
- Be sold out, be part of the generation & God will add daily to us

Challenge

- Lay down your life
- In your heart you need to shift your focus, energy & concentration to God & to your brother & sister
- God wants a people with one mind, one heart, willing to give everything for Him & to one another!!
