THEME: GOD WILL DO SOMETHING AMAZING

14 June 2009 – Morning Service 1

Senior Pastor HL Berster

- We are living in the days of God
- The Bible says: "I am going to do something in your days"
- The prophet was concerned about things that were taking place, corruption etc.
- God answered the prophet with boldness

1. Lord answered the prophet: I am going to do something in your days

- The old is gone
- The new is at our doorsteps
- God is looking this morning for a man and a woman that believes in Him and that He is going to do great things
- If you still have the old mindset in you, you have to get rid of it
- God will move
- God answered the prophet and said that He will do something great
- He is not waiting for us, He will do it
- He is looking for a man and a woman that says: "Here is my life"

2. Be concerned with what God is saying

- We are concerned about what we eat and drink but God has greater things for us than food
- God wants to do supernatural miracles through your lives
- He wants to use you mightily
- We must be concerned about what a living God wants to do through us
- What God says is important
- He is raising up people that He can use
- If He loses His people here on earth, He has no instruments on earth to judge the enemy
- You are important this morning
- God does not want to lose you but because of the way you are living you are losing Him
- God is raising up a new breed of people that will stand in His presence (not only on a Sunday)
- **THE TIME HAS COME:** Get God results and not our own results
- God's results will be established here on earth
- You must desire that God's results will operate through your life
- God's results are everlasting
- God's results are big and great
- God can not work through us because we don't consecrate our lives before Him
- You can not live your own life and have Kingdom benefits
- You must be in the Kingdom to have Kingdom benefits
- It is God's time and we will come to where He is, He will not come to our level
- He will release His heaven to us

Joshua 3:5

3. Believe and trust God that He will do something great

- God will not use everybody
- If you don't consecrate your life to God, you will see that you will not be part
- Some of you still have church mentality, going to church will not enable you to receive
- You must go to God
- Many people in the church will not reach heaven because they live a different lifestyle
- They come to church to ease their conscience and they don't know God
- Do you hear God's voice?

- If you don't hear His voice, you are not part of Him and He can not use you
- It is God's time, not yours and my time
- The revival is so big and it is going to hit us
- God made the decision that the revival is here
- God always looks for a man, not a company of people, one man or one woman that He can trust
- The Spirit has no distance and God is looking for one that He can trust
- Heaven will come in you
- Heavenly results will start operating through you
- God will work on a daily basis now
- Heaven will work!
- God will start working if He can find one man that He can trust
- We struggle to trust God but can He trust you?
- We must cry out to God to release His Spirit in us
- God will do amazing things but He must trust somebody
- How can God trust you with a nation if you are flaky?
- God is trusting senior pastors with Nations!
- You can not handle nations if the flesh is still in control
- The flesh ideas and desires must first die before the life of God can come in your spirit

4. God's Word will not return empty: Isaiah 55:11

- God's word will accomplish what He said to the prophet, God will do amazing things
- His word will be accomplished here in Germiston, in this city/area God is going to do amazing things
- God is busy working, it is becoming tangible
- God is saying: "My word is being released, I am looking for vessels that I can release My Spirit and My word into"
- Your thoughts are higher than our thoughts
- We think small
- God must remove the veil this morning
- You can not go only on what you see in front of you
- You must start sensing God everywhere you go
- Your personality will take you nowhere, what matters is, do you accept God's word and do you want to be a vessel?
- There is a scripture that says we must serve God with fear and trembling
- We must make sure our lives are consecrated before God
- If you are cheating everybody, God will move away from you
- What God is going to release will be so amazing that we will say: "can this be from God?"
- You release from heaven, the grace not to miss

God is going to shake everything that can be shaken: Hebrews 12:25-28

- God is going to shake the church first, before He will use us to shake the world
- Before He can use us: Consecrate yourselves
- We all say to God: "God use me"
- We must be careful to say "God use me" in these times because God is going to do great things, no longer small things
- God will take you beyond who you are but He will first shake you
- 14 July 2007 God said to this church: "It is a new day, change your life"
- What matters is not what the people around you do but what you do
- Did you allow God to shake you for the past two years
- When you are clean, you can not be shaken any longer
- It is not about the blessings, it is about obeying Him
- God will shake you and take out all the nonsense that is in you so that He can use a clean vessel
- He will come with His greatness to prove that He is God
- God still needs to shake most of us because we are still living impure lives
- Until you obey, God can not use you

- You will not be able to shake people until you allow God to take everything out
- When you have been shaken by God, the devil must bow before you
- The devil's time in this city has stopped
- Before God can use you, you must consecrate yourself
- The days of having a small cell is gone
- Consecrate yourselves so that God can show you the big things He can do through your lives
- God must first set us free before He can shake the world
- Words don't change the world, God changes the world
- If you don't pay your tithes and offerings, God will shake your finances and you will lose everything
- **It is now the time to obey, not performance**
- It is time today and stop with performance
- To perform has to do with people, to obey has to do with God's Spirit

When God works He brings the increase: Ezekiel 36:26-30

- When God works in you, He releases
- We still work out our own increase
- When God brings the increase, nobody can take it from you
- When God works in you, He starts with an increase in your life
- He puts His Spirit in us then we operate fresh from heaven
- He will start calling you "son" and you will start calling Him "Father"
- When God works in you, you are not a slave anymore but a son
- You will no longer suffer disgrace, but will have plentiful
- You will increase so much that you will say: "God is this really You?"
- God operates with MULTIPLICATION upon MULTIPLICATION
- By God's grace we will multiply
- When God works in you, you don't have a slave mentality but a son mentality
- When you are a son, you fear nothing
- Godly love overcomes fear
- If God is in you, He will release all the time, increase
- When you serve God, your mentality will be changed from having a 'job' to increase in Him
- When God is for you, money is no longer a problem
- When God works, He increases
- If God doesn't work, there is a decrease in your life

We must partner with God: Isaiah 59:21

- We want God to partner with us, we must partner with Him
- He needs people that can work with Him
- He is preparing His people for something great
- If you don't partner with God, great things will not take place in your life
- God is looking for a man and a woman that He can use to shake everything
- He is looking for a man and woman that will stay in His Spirit and in His atmosphere
- God always looks for a man
- God works mightily through a man
- There is a cry in God's heart: "I am looking for a man"
- God is looking for one man that He can trust
- He will assign you for your future
- You will get a spirit of unstoppable
- God is looking to trust a man that will not compromise, that will partner with Him?
- God can not trust us if we don't mature
- There is a support system in this church
- God will send influential people to this church from now on
- If God can trust you, heaven will support you
- What happens in you, will happen in your life
- God has two homes, one in heaven and one on the earth
- We must prepare ourselves that heaven will be in us

- We are living in the days of the Lord
- We must lie before the Lord and allow Him to show us what He wants to do with our lives
- Take our domain and rule
- God can test one man
- Will give support from heaven

Close:

Preparing is for great things to come

- Get ready, God is ready
- God is ready now to release revival to this church
- God is detailed and He is ready
- Surrender before God and get yourself ready
- By God's grace we must be ready
- Darkness will leave us now because God has assigned a new dawn
- Selfishness does not exist in God's Kingdom
- God wants to use the whole congregation
- God is looking for a man that will partner with Him
- If you are a Kingdom man, you will be more in your inner room than outside
- You must have more respect for God than anything else
- Make sure your personal life is in order
- Make sure your inner room life is in order
- Make sure your relationships are in order
- Make sure your finances are in order
- Your whole life must be in order

God is dawning a new day for us
