

THEME: UNDERSTAND THIS REVIVAL

12 July 2009 – Morning Service 1

Pastor Wentzel du Plessis

• **The Lord says**

- Revival is here
- I'm putting a coal of fire in your mouth
- I'm putting My word in your mouth
- I'm putting the dimensions of heaven in your spirit
- You will carry heaven

Isaiah 59:21

- The word and the spirit will arrest and revive us constantly
- The first drops of revival fire/oil/rain fell during the conference
- It is important that all of us will come on a revival level
- God wants to meet with us in an amazing way
- God wants you to be clear on this revival
- God wants you to be clear on what you need to sponge in and receive at this time
- Be clear that you have to be updated to a revival frequency
- There must be no resistance, only an openness on what God wants to do
- We need to be on this wave now
- Allow the momentum and the movement to take place on the inside of you
- You need to go with the flow of what God is doing at this time
- A deposit is released and it is important that each one will secure this deposit
- God has released life, Spirit and word
- You have to know what has been released to you and you will have to secure it
- If you don't secure it, you will lose it
- It is no time to relax now
- It is time to go with what God is releasing
- It is dangerous for you to relax now
- When David was at his peak, when he was winning one battle after the next, he experienced revival and at his peak, he stayed off a battle once (he relaxed) and when he relaxed, his eyes wandered and he sinned
- Don't stop until you have completed your destiny
- Don't get off your destination too early
- God wants to build a momentum
- He wants to release more and more unto us
- He wants to take us deeper
- Revival has been poured out

Isaiah 60:1

- Light is coming to this house and as light is coming, this house will arise
- It is vital for us to secure what is being released
- It is important that we must be clear on what has been released to us
- If you don't know what you've got, you will lose it
- We must lock it into our hearts and keep it before us all the time

Four points with regards to this revival

1. His word and His Spirit will translate us into His world

- What God is releasing will translate us into His world
- The times are gone where we will just live with one another, we will begin to live with God
- If we just live with one another, we will become men with unclean lips

- If you are too long in the midst of your own kind and too little with God, you will become men of unclean lips, you become corrupt and the corruption will take you over
- We must be with one another but when we are with one another it must be with God
- We will dwell with Him
- We must no longer just dwell with the things of the natural, we must dwell with Him, live with Him
- If you keep Him with you long enough, He will begin to release His secrets with you
- That is what will happen in this revival time
- If we stay with the spirit, we will go from one momentum to another, we will keep progressing in Him
- We will begin to live in His atmosphere
- You will begin to wake up in the morning and be aware of His atmosphere
- You will begin to sense a heavenly activity around you wherever you go
- Because you live with God, you will no longer just carry weakness but you will also carry heaven
- God is taking us into His world
- Walk in the spirit and you will not desire the lusts of the flesh
- The voice of the flesh will be shut down because we will no longer walk in the flesh, we will dwell with Him
- God wants to translate us into His atmosphere
- God promised this house that we will become His permanent resting place
- Don't stop what God wants to do now
- God will not just be next to us, He will be in us
- God has a house in heaven and a house on earth
- This house will be God's house on earth
- This revival will upgrade us, transform us
- When the president comes to your house, you will make sure it is clean
- God is coming to this house, we must upgrade it, clean it, sort it out

2. You will arise into the new and detach from the old

- We will carry heaven and no more weakness
- There will be accurate implementation
- You will act differently and be different because you will constantly be visited by God
- You will detach from the old and arise in the new

Isaiah 60:1-3

- There will be an ever increasing shining
- And because there will be an ever increasing light coming to you, there will be an ever increasing rising, just like we rise in the morning when the light comes
- There will no longer be dead bones because there will be too much light
- You can no longer be weak or stand still because the light will come and the revival will hit you, you will suddenly see and arise
- As you see, you will detach from the old and step into the new
- The old and the new can not live together
- If you detach from the old, kill it and move on
- The light will hit your marriage and suddenly it will arise
- The light will hit your children and suddenly it will arise
- The light will hit your ministry and suddenly it will arise
- The light will hit your business and suddenly it will arise
- You will begin to think big
- You will begin to think like God

Jeremiah 29:11

- You will begin to know the plans of God for you
- In this revival times, God will give you the grace to login to His thoughts and His plans for your life

- He wants to show you the great plans He has for you, the blessing He has for you, the hope He has for you
- Keep Him beside you long enough so that He can begin to show you
- We will begin to break loose
- We will understand that we are seated in heavenly places
- Everything will be under our feet
- The heavens will begin to compel you
- Our brightness will increase
- The activity of angels will begin to increase
- People will begin to say that they have been visited by angels
- We are living in the times of heaven
- The conference birthed something new
- We need to begin to walk into the fullness of it

3. The lives of people will be touched everywhere

- We will be surrounded by crowds and crowds of people gathering around this house
- As we enjoy this move, the people will begin to be touched and effected by it and they will begin to jump in and join us
- The spirit of God in this time will give us daily assignments
- The market place will begin to enjoy the touch of God on their lives
- Even though they won't understand it, they will want more
- This time we will not be compelled by the flesh, but by God
- God will go before us with signs, miracles and wonders
- If you say no for it, you can not get it
- Many lives will be influenced and touched
- Our authority will increase
- This revival will cause us to be soaked in the love of God
- The love of God will drip from us
- God will give us power and favour with men

4. We will begin to birth and carry nations

- As this revival arrests you, break away from limitations
- Break away from small things
- Take hold of the ocean of what God wants to release to you
- If you want this revival to be complete in you, you must understand that it is nothing about you and everything about Him

Isaiah 60:3

- Not only will nations come, but we will begin to reproduce after our own kind
- God will begin to give us sons and daughters that will be like us
- Love God like us, follow God like us, carry the genes of heaven
- God is giving this house nations
- This revival will be incomplete if we don't make room in our hearts for nations
- When we make room in our hearts for nations, we are busy with God
- This is about staying with the agenda of God
- God is a God of nations

Closing

- Understand what has been released to you
- Get up in the morning ready, alert, urgent, to be used by God
- Say to God every morning: "Use me"
- God will use you to be the sign from heaven to people
- Ask God for the grace to walk in this revival
- Be expectant, be ready
- God has no favorites, it is not too late for you to jump in
- This is for everyone, You just need to take it
