## DUNAMIS INTERNATIONAL FAMILY CHURCH

---

### THEME: THE MOVE OF GOD MUST STAY IN US

2 August 2009 – Morning Service 1

Senior Pastor HL Bester

---

**Habakkuk 1:5** *"Look at the nations and observe--be utterly astounded! For something is taking place in your days that you will not believe when you hear about it"*

**Joshua 3:5** *"Joshua told the people, "Consecrate yourselves, because the LORD will do wonders among you tomorrow"*

- We are living in the times of God, not in the times of satan
- It is the greatest opportunity for the church to move into a level where she have never been
- **The Bible says:** "look at the nations and watch and you will be utterly amazed..."
- Amazing things can only take place in our lives, if we get rid of sin, the selfish nature and we consecrate our lives, then He can do what He wants to do in our lives
- We must stay with the move of God
- **To stay in this move of God is going to cost spiritual discipline**
- **Speak to your flesh and say:** "Flesh you will bow to what my spirit is saying"
- Senior pastor is in the business of commitment, not excitement. The sin age has left senior pastor. God can operate in senior pastors life the way He wants to do it
- We have seen nothing yet
- **We can be unstoppable because sin has left us**

#### The mandate from heaven

**"I am going to do something great, I am going to do amazing things"**

- Nobody can stop it
- Senior pastor is not interested in the small thinking of people
- You cannot listen anymore to church language
- **You must come to a place where you consecrate your life and the living Word must speak DEEP in your heart and what He says, you will do**
- **It is time that we operate on what is in us**
- **If sin has no control over you, supernatural things will take place and you will do what God says**
- God is doing something in our days
- **We must take notice of what God is saying from heaven**
- Senior pastor is not living in recession, because he has a Word in him, he carries something in him
- **The Word from heaven says:** "You will be prosperous" He has spoken

#### 1. We can see God is at work

- You can get into the Spirit in a minute, if you live without sin

**Hebrews 12:25-26** *"See that you do not reject the One who speaks, for if they did not escape when they rejected Him who warned them on earth, even less will we if we turn away from Him who warns us from heaven. His voice shook the earth at that time, but now He has promised, Yet once more I will shake not only the earth but also heaven"*

- God is not only shaking the church, but also the world
- He is shaking marriages, people, businesses. He is shaking everything
- God is not in the business of condemnation but He will warn
- A father will always warn upfront, God is going to shake
- People that are playing games with God will be shaken
- He is going to shake ministries
- If the ministry is build on you, He will shake you, but if it is build on God, it will remain
- Too long we have played with people's lives, we don't know how to build

- The way you work for God, that is the way you are going to work in the world
- If you love God, you will give your best in the world
- He is first
- **If you are totally committed, you will not be shaken, because your foundation is strong**
- **The church is weak, because they have lost their first love**
- **WHERE IS YOUR FIRST LOVE?**
- Church is all about us, it is not about Him
- It is Who you are connected with that makes you
- You can lose millions in one day
- **If you don't have a relationship with God, you will stay weak, money does not make you strong**
- **What makes you strong is your connection**
- **God is warning senior pastor upfront, He is going to shake, only those things that past the tests, He will use**
- God is going to do something amazing, if DIFC does not want it, He will find another church
- For more than 2 years God has warned us upfront to consecrate ourselves before God
- **You must come to a place where sin has no control over you anymore**
- **You must carry something that people want**
- **DO YOU CARRY GOD, DO YOU CARRY SOMETHING FROM HEAVEN THAT PEOPLE WANT FROM YOU?**
- **God wants to do something amazing, break out of the mould!!**
- **Don't get use to what you carry now, there is greater things you must carry**
- **If you are not connected, you will lose**
- **You will lose nothing if you stay with God, you will just get more**
- Supernaturally, the Spirit will work on your behalf for people to bless you
- It is recession time for those who serve the devil
- **It is now the time that God must increase and multiply in your life**
- **WHO ARE YOU CONNECTED TO?**
- We must allow His Word to affect our lives
- What God releases we are open to receive

## 2. The truth, everything that is not from God will collapse

- If you are married and you only want sex, you will lose your spouse, that marriage will collapse. Women want to fight, because there is no love
- If you don't pay your full tithes, that business will collapse
- **God is a builder, if we come into His Kingdom, we must have a building attitude**
- **We don't know how to build, we just want to be blessed, build His Kingdom**
- **If you are not busy building, the attack will come, because you are disobeying**
- 90% of the people in church are controlled by emotions and flesh
- **You will not fall if you are a builder, you will only go forward**
- Every person that senior pastor builds, gets strong
- If you don't build, it will collapse, His Kingdom is all about building

### Matthews 6:33

**Numbers 14:27-29** *"How long must I endure this evil community that keeps complaining about Me? I have heard the Israelites' complaints that they make against Me. Tell them: As surely as I live, declares the LORD, I will do to you exactly as I heard you say. Your corpses will fall in this wilderness--all of you who were registered in the census, the entire number of you 20 years old or more--because you have complained about Me"*

- We see that the people just wanted but the 2 that build went into Canaan's Land
- **You have no chance on this earth to make it if you don't build**
- **If you build you have heaven behind you and you will make it**
- **When you are a builder, hell comes against you, people attack you**
- **Let He be the builder and obey, be connected to the real God**

- We gossip because we are totally weak
- **It costs a strong person to build a weak person**
- **God is looking from heaven to see the builders**

**Genesis 11:5** *"Then the LORD came down to look over the city and the tower that the men were building"*

- The people wanted to build a place to heaven, but God collapsed that building by giving them different languages
- **If you want to build you will know you need the Father**
- If we don't do the small things, you cannot build
- We must build, quick and fast, God is going to move fast
- **When we are strong we will honour one another**
- We will know how to honour our wife's
- If your marriage is build on sexuality, it will fall
- **If a marriage is not build on a 100% respect for one another it will not work**
- **There will come a time that you make a decision in 1 minute to change and God will come and work**
- **If a man does not love his wife, problems are on the horizon**
- **You will not receive amazing things if your house is not in order**
- **If you want to become a builder, it is going to cost your life**
- **Do you want to come to a place and say: "devil it is finished!"**
- God's power is going to break out

**Romans 14:17** *"for the kingdom of God is not eating and drinking, but righteousness, peace and joy in the Holy Spirit"*

- The Kingdom of God must be established, righteousness, peace and joy in the Holy Spirit
- **DO YOU WALK IN RIGHTEOUSNESS?**
- **DO YOU CARRY THE PEACE OF HEAVEN IN YOU?**
- You are living in His Kingdom, His joy is your strength
- **You must have joy, you must carry heaven's peace on the inside of you**
- **When you are free of sin you can carry heaven on the inside of you**
- Don't try to impress senior pastor
- **If God's power is in you, you will change completely**
- **If you make a decision to honour God, you will change**
- **God is looking for strong men and women**
- **God wants to start building but you must be available**
- **People must come to senior pastor willingly**

#### **GOD WILL NOT CHANGE HIS MINDSET, AMAZING THINGS WILL HAPPEN**

- If you want nations, you need true sons
- Make quality decisions for God
- We want money to impress people, you must want money for legacy
- WHAT LEGACY DO YOU HAVE?
