

DUNAMIS INTERNATIONAL FAMILY CHURCH

THEME: GOD IS THE BUILDER AND HE WANTS TO BUILD US

9 August 2009 – Morning Service 1

Pastor Wentzel du Plessis

- If we want to stay with the move of God, with revival, it will take a lot of consecration from us
- Stay with where God is moving now
- Stay with what God is releasing
- The process belongs to you (work out your salvation with fear and trembling)
- God is a Builder
- He wants us to build with Him
- He is placing His Spirit in us to build
- We must align according to His pattern, according to the blueprint of heaven
- We must not put conditions before God
- We need to build according to His blueprint
- There is a well within us, that well must become a river
- There is a structure built around a well in order for the well to be contamination free
- God wants to build us and we must allow Him to build us, if we don't do this, the water in us will be contaminated (there will be a mix)
- God wants to move us fast, if you carry contamination, the seed in you will die and it will not find a place in you to grow
- God is going to build, transform and change us according to the blueprint of heaven in order for that well to be uncontaminated and for people to be able to drink from us, your well must become a river
- God gives the senior pastors, the five fold office structure of the church so that He can build us according to His way
- The seed in us must accelerate
- The well must become a great river in our lives

Matthew 16:13-22

- If your life is not built according to the plan of God, hell will keep exploding in your life
- If your life is built according to the plan of God, even if hell explodes, it can not enter
- Too many Christians are still subdued to the powers of hell, we are not supposed to be subdued by the powers of hell
- Every work of hell must be subdued
- We must allow God to build us

1. We must build our lives around the release of heaven and what the Father says

- Our lives must become connected to heaven, to that what the Father says
- Get off the flesh and blood level
- We are the church, we are sons of the living God
- Our lives must be build around what the Father says and what heaven imparts
- We must be open for that what heaven imparts
- Some people have an alliance with the wrong people
- The gates of hell are exploding in the lives of those people
- You need to break with the wrong alliances and become connected to heaven
- If you don't break with wrong alliances in your life, you can not hear heaven
- Become connected to a man of God, get the right alliance
- No matter how gifted you are, if you have the wrong alliance you will be destroyed
- Like Samson was a powerful man but because of wrong alliances, He missed the purposes of God and he lost his life
- Connect your life accurately
- Break the influences of wrong people over your life

- Connect with those who carry heaven, the voice of the father, so that voice can speak and impart to you and lift you up from the place of flesh and blood level
- We are seated in heavenly places but we still live like losers because we are on the level of flesh and blood
- Abraham could not see the promised land while he was with Lot. He had the wrong alliance and was connected to the wrong person, only once he broke with Lot, God started speaking to him. Only then did God show Him the promises of heaven
- We still listen to too many voices
- Build your life around the impartation of heaven
- Your alliances are vital
- You need mentoring, fathering, the right people who are strong and allow the Father to speak to them. People that allows the Father to impart in them. **When you drink from their well, a different frequency will begin to form in you**
- You attract according to frequency
- You attract people who speak like you
- **When you begin to carry heaven, you will begin to attract the things of heaven**
- Build your life around heaven, around what the Father says
- Honour and appreciate the set man of this house
- **Get connected, hear the heart of God in the senior man. Hear God speak when he speaks. Allow heaven to come to you through him**
- **Stop building your life around what people say**
- People's opinions of you will change all the time because they are on a flesh and blood level
- **Hold on to what God is putting in your life**
- To build your life on the opinions and perceptions of people will kill you, it will keep you in a pit of rejection and identity crisis
- Build your life around what heaven imparts and around what the Father is saying, don't hold back
- **When heaven comes, it is always suddenly/now/breaking news**
- **When heaven comes, it is what God is saying Now!**
- When heaven comes it is like a sharp arrow

2. **Let your life be built around the revelation: "Jesus Christ the Son of God, the King of Kings and the Lord of Lords"**

- The church do not know Jesus Christ
- The foundation of your life must be Jesus Christ
- **Get a revelation of Him**
- **See the revealing of Christ**
- When you receive the revelation, Jesus will release: "On this rock I will build my formation"
- A rock carries a certain formation, a certain pattern, Jesus will form Himself in you when He is revealed to you
- **Jesus can build Himself in you when you receive the revelation and the church can be build on this revelation**
- We must grow in the revelation of Jesus Christ, the Son of God
- When you know this, the gates of hell will no longer explode in your life
- 90% of the church knows Jesus the Saviour
- If it is only Jesus the Saviour that's revealed to you, that is all you will have. The foundation in your life is limited, it is not fully built
- God wants to build you but He wants to build you around the revelation of Jesus Christ the Son of God
- People have a poor image of Jesus Christ in their lives and that is why there is idolatry in so many people's lives
- When you have the wrong image of Jesus in your life, you will form idols in your life
- Moses missed the promised land because he was supposed to speak to the rock but he hit the rock. The rock represented Jesus the Son of God. If we have a poor image of Jesus, we will miss it. Because he hit the rock, he missed it, he missed Jesus, he missed the promised land

- It is too much about us
- The more we know of Him, the less it will be about us and the more He will be revealed
- **John 1:9-10**
- Many people in the body of Christ worship who they do not know
- Many Christians can praise but they are lost when they have to worship
- **John 4:23**
- Jesus will begin to be revealed in such a way that when we begin to worship, we will worship Who we know
- God wants to form us in the likeness of Jesus, He wants to bring us into the glory of the first Begotten Son
- God loves me but God's interest in me is to transform me into the place where I can represent His Son
- I can not represent who I do not know
- We represent Jesus poorly because our knowledge of Him is poor
- We see Jesus on the cross
- Jesus appeared before the enemy, He destroyed the enemy and death
- The church must get sin out of our lives
- Jesus condemned sin, He appeared in sin and He shut down sin, He appeared before the Father without sin
- If you don't see Jesus appear before the father without sin, you can not appear
- Sin will always be an issue in your life if you don't see Him there
- The sin age must come to an end
- If you are a son of God and you live in sin, you have no revelation
- **John 1:11**
- If you begin to receive Him, if you begin to ask the Holy Spirit to reveal all of Christ to you, the Spirit of God will begin to take hold of you and you will begin to live in the spirit, you will begin to see and as you see, God will begin to give you the power to become sons of God
- God wants to give us the power to become
- Get off the level that says: "God understands" because God does not
- He wants us to see the revelation, Jesus the Son of God
- Paul says: "It is no longer I that lives but Jesus the Son of God lives in me"
- The mysteries of heaven lies in the knowledge/revelation of Jesus the Son of God
- Most people get stuck with salvation and that's why their lives can not move forward
- Romans 8 speaks of there is no condemnation for those who are **in Jesus**
- **1 John 3:5-7**
- Senior pastor's statement: "The sin age in my life has come to an end"
- God must enlighten our eyes
- If you are in Christ, where He has appeared I must appear
- What He has become, we must become
- Stop living a life of fairy tales, live a life of heaven
- The church is supposed to be build around heaven, the Father and the revelation of Jesus Christ the Son of God, not around the needs of people
- **1 John 3:2**
- The Holy Spirit is given to us because only in the Spirit you will see Him (God is spirit) on the throne
- We must come to the revelation of Jesus on the throne
- We must see Jesus destroying flesh and blood issues on the earth
- Jesus must become more, I must become less
- He must become everything
- **As He is revealed, I will be revealed**
- **Romans 8**, Creation is earnestly waiting
- Creation is not waiting for a cheap replica or for second best
- They are waiting for a begotten, reproduced in them Jesus the Son of God
- God wants to bring you into the age of righteousness Now
- Get away from the "one day when I go to heaven...", this will keep you stuck
- When you take hold of where He has appeared, you will appear there

- If you see Jesus appear before the enemy, you can begin to appear before the enemy with Jesus in you and you in Jesus
- It will take all the pressure off you, Jesus said: "My yoke is easy, My burden is light", we still struggle with things that we should not be struggling with
- We have no revelation, that is why we reach a ceiling in our worship
- Jesus said: "On this revelation I will build My church and the gates of hell shall not prevail there"
- What we carry is the revealed Jesus
- **Verse 19**... then I will give you the keys of the Kingdom
- With this revelation, we will advance and the Kingdom of God will advance
- God wants to make us executors, doers
- **The key is for advancement**
- We will do great exploits
- Connect with the senior pastors of this house
- **Ephesians 4:11**
- The task of the senior pastors is to bring us to the place to appear before the Father
- As I see Him, He will be formed in me and I will begin to act like Him
