

THEME: STAY WITH GOD AND WHAT HE IS SAYING

16 August 2009 – Morning Service 1

Senior Pastor HL Bester

Habakkuk 1:5-6

- **We are living in the times of God**
- **We must listen to what God is saying**
- **There must come self discipline like never before**
- **Stay connected and leave the results to Him**
- **Let heavens nature come on you**
- **The time of "nobody's" is gone, you can become somebody because of the grace and mercy of God**
- **Amazing things are going to happen**

When you believe and trust God, you will experience amazing things

- When you carry government in you, the devil will always attack you because he knows you are going to attack his world
- Trust God's government more than any other government in the world
- When the attacks come your way, it is not time to quit, it is time to stand
- When you believe and trust God, God can start working on your believe and trust in Him
- **God's days are the release of the supernatural**
- God is looking for a vessel that trusts Him wholeheartedly and depend on God and the Spirit of a Living God
- **We are living in a time period where God is going to do amazing things for those who trust and believe Him**
- God cannot use sentimental people
- **He is looking for a man/woman that says: "I will stand"**
- **Those who believe and trust, He will use amazingly. His hand will be on them and they will break out**
- **God's power in you will release the break out. There is something in you that cannot stay with the normal anymore. You start operating on what is taking place inside of you and you start thinking like God**
- **People that are accurately connected to God and the spiritual father of the house will increase and they will be blessed**
- **You cannot be connected with God and be normal anymore**
- **You cannot stay in the atmosphere of God and stay a weak person**
- **You cannot stand before the Lord and see His greatness and still stay and think small**
- If you withdraw from a man, you withdraw from God
- **If you believe and trust, the supernatural will start taking place, move away from the normal things you did in the past**
- The power of a Living God must come back to the church
- **When God's power fills you up, you must break out**
- The only difference between the world and Christians is that the Christians go to church and the world stays at home
- The world does not want to go to church because the church is weak
- **If you are a Christian, there must be something in you that the world does not have, because you are serving a Living God, it is the God of TODAY and He is going to do amazing things TODAY!**
- **There is a fear of the Lord inside of senior pastor to stay with God**
- **Senior pastor has made a decision that he will believe and trust God**
- **God's government has nothing to do with a system, but with connection**
- South Africa will be taken back for the glory of God and not for the glory of man, but for His Kingdom sake. It will stay a country of milk and honey

- **When God says He is going to do amazing things, He is waiting for one to believe and for one to trust and to say: "I believe you will do what You say"**

Take note of what God is saying:

Isaiah 60:1-3 Arise, shine, for your light has come and the glory of Jehovah has risen on you. For behold, the darkness shall cover the earth and gross darkness the peoples, but Jehovah shall rise on you and His glory shall be seen on you. And the nations shall come to your light and kings to the brightness of your dawning

1. God's people must arise and shine

- **If God says He is going to do amazing things, we must arise and shine because what we carry is important**
- If we operate the same as the world there is nothing in us for the people to draw from
- **The problem in the church:** We want ministries, but we don't want heaven in us
- **When you arise and shine you carry the light/heaven that you have**
- What you have must be life and heaven
- **When you have life you can push back anything**
- People minister and they still live in sin
- **Darkness and sin leave you when you carry life and heaven**
- **You cannot overcome sin if you carry darkness in you**
- **If Jesus overcame sin, we can do the same, but we don't want to have a self disciplined life**
- **If you come to a place where you have a revelation who you are and you have a believe system in God, you become a danger to the devil**
- When you get attacked you carry something that the devil fears
- When you touch a man of God, God will start operating on your benefit/belief
- You must lift up your spirit because God wants to do mighty things in your life
- While senior pastor is standing, the devil cannot destroy Germiston because he is the authority
- **STAND AND DESTROY THE WORKS OF THE ENEMY**
- If you want to arise and shine, decline and defeat must come to an end
- **Tell the devil:** "It stops here!"
- If you arise and shine your influence must increase
- Some leaders take you **to** the sea, but not **through** the sea
- When you arise and shine, small thinking gets out
- The church thinks small, but God has nations for us
- You must give you life away and live for something bigger than yourself
- You need to deposit yourself
- When senior pastor says things, it must drop in your heart
- The most difficult thing in life is to be a pastor because you must go to the people's level all the time
- Flesh has become greater than God in people's life's
- **YOU MUST ARISE and SHINE!!**
- You must honour God with your lifestyle, not dishonour Him

2. Revelation: you as a person carry government in you

1 Samuel 16

- David received Samuel's anointing. Samuel carried governmental anointing. David was a shepherd boy, but he had a hunger for God and he received the anointing of Samuel. The first thing he did when he received the government anointing on him, he killed the giant of the Philistines, Goliath
- **If you are not connected to God and the man of God, you will not carry government in you**
- **What is government anointing?** It is to destroy the enemy's works around you
- **If you have government in you, you keep the devil out of your boundaries**

- Your family will not be touched and you will have a great marriage
- **Government is:** The enemy cannot come into your boundaries, but you can go into the enemies boundaries and destroy his works
- Don't fight government, you need it
- When people get weak, they blame senior pastor, but they are far from him and from God, 2 different worlds cannot get together
- You have poverty because you have no government
- The church must grow in government, not in talent and having nice things
- If you grow in government, God will give you wisdom how to look after your stuff
- Men want sex, but they don't know how to protect their wife's and make her number one, so that she can be the queen and he can be the king
- **GET GOD'S GOVERNMENT IN YOU SO THAT YOUR CHILDREN CAN BE SAVED AND YOU CAN CHASE THE DEVIL OUT OF YOUR BOUNDARIES**
- **Government is going to make you, not people liking you, depend on the real thing**
- **If you understand government, you become alert and you start living a godly life**
- You must go into the devil's territory and take over, but if you are weak and your house is not in order, you cannot do it
- South Africa is suffering because of no godly government and that is why the enemy can do what he wants
- **You must walk out of your house and say:** "evil spirits get out of my house!"
- **God will fight for you because you have His Spirit in you**
- **Mentality,** push the devil away
- **STAND UP, YOU CARRY GOVERNMENT IN YOU**
- You must grow in government, stop being smart
- **Protect your house, your children, your income, your boundaries so that you can go into his territory and start taking back**

3. God's glory will appear over you

Isaiah 60:2

- In you there must be no darkness
- Before God's glory can come over your life, there must be no darkness in you

2 Timothy 1:7 *"For God has not given us a spirit of fearfulness, but one of power, love and sound judgment"*

- **Charles Finley**, a great evangelist in the eighteen hundreds. Ten miles before he visited/reached a town, the power that he carried, broke out already. People started crying and repenting. Workers laid on the floor, weeping before God, factories closed, because nobody worked, they were busy with God
- Senior pastor believes those times are coming back again
- Today's evangelists talk nonsense. Today's pastors compromise so that they can still get money
- When you on DIFC's platform, make sure your life is clean
- **WHERE IS THE POWER?**
- **We have the greatest revelations, but there is no power behind it**
- Churches become "big clubs"
- **A worldly reporter made a statement and said:** "I am not saved and when I visited that church I sensed the devil"
- **Where is?** "When I speak, I affect people's lives?"
- **Do you want to be smart or do you want affect people's lives?**
- It is God's power that changes lives, not your intellect
- The reason why you are not unstoppable, you lost the power. You became great in yourself, but you have no power
- **WHAT ARE YOU GOING TO DO?**
- Senior pastor desires that before he comes to a conference for example, God has already done the work. **The people will say:** "It is in what you carry that I want to serve God"
