

THEME: GOD'S MANDATE AND EXPECT A MIRACLE EVERYDAY

6 September 2009 – Morning Service 1

Senior Pastor HL Bester

- When we are not living with God, we expect problems every day, when we live with God, we can expect a miracle every day

1. HE HAS PREPARED SO MUCH FOR HIS PEOPLE

- The church is not in a believe system mode, they are in a troubled mode
- When God releases from heaven, your whole life must change according to the expectations that you have for Him and He for you
- If God is our Father and we are His sons, a miracle can take place everyday
- **God is a miracle God**
- Because of disbelief and disconnection, we don't know who we are
- If we are sons of the living God, we can expect miracles every day, you will be able to handle problems every day
- The devil sends circumstances
- **Circumstances come before a miracle, don't stop with the circumstances, press through until you get the miracle**
- When you trust, you will be relaxed and feel at peace
- When you trust God, you will be relaxed and you will know that your Father will come through with a miracle
- There is still too much fear and anxiety
- We work so hard that we forget God
- If we make God more in our lives, we can work less and have greater results
- **We are so busy with our potential that we miss His potential in us**
- He is the miracle in us
- God is standing ready to release miracles to us on a daily basis
- You must start carrying the miracle that people want
- Stop being connected to negative people or things that mean nothing
- When you become something, the world becomes small because of the connection with people
- Do you carry something that people can trust?
- Do you carry a miracle or do people want to stay away from you?
- Trust God and total rest and depend on God
 - What He says will come into fulfillment
 - We can expect a miracle everyday

MANY PEOPLE MADE GOD NUMBER 1, STAY WITH GOD FAITHFULLY AND ACCURATE CONNECTION WITH GOD HAVE GROWN

- God can not operate through you if you act like a fool
- You can not make God Number 1 and not reap anything
- If you are faithful to God and stand in relationship with Him, miracles will start operating out of you
- Those who are aligned right, will flow like a river
- If you expect a miracle every day, there will come the time when God will start opening up the daily miracles

ROMANS 4:17: God gives life

ISAIAH 7:9: Stand firm in our faith and trust God

- To stand firm in your faith means to stand firm in your Father and trust Him
- Accept God's terms not your own

- Miracles will start operating for your benefit
- If you stand firm in your faith, you get the nature of God
- God has no limitations, you can start having no limitations
- You can be limited by nothing anymore
- When you are free, miracles take place
- When you are stuck in a system, you can not see miracles
- A system is controlled by the demonic world
- Signs and wonders must take place through your life
- We still believe more in people than we believe in the word of God
- Recession is for the world, not for the church
- Move away from limitations
- For two years God has released to this church that amazing things will happen
- We must trust God that it will happen

MARK 11:22-24: Have faith in God

- It is our faith, not God's faith that must rise up

SECRET

- Before you pray or ask, you must first believe
- When you believe, God answers

2. HOW MUST I RESPOND TO THIS MANDATE OF GOD?

a. HEAR WHAT GOD HAS FOR MY LIFE

- Hear with your spiritual ears, not think, hear what He says
- It is important to come to church to hear what God is saying through the man of God
- The reason why we don't hear is because we don't respect God
- If we respect other voices more, we are in bondage
- God has good plans for us to take us forward and not to hurt us
- If you want to be great, you first have to respect yourself
- Train your children to respect you
- Make sure you are worthy of that respect
- If you are a Godly man/woman, you can expect respect
- The way you operate tells you who you are
- If you are far away from the man of God, you are far away from God
- If you have a relationship with God, you will have a relationship with the father of the house
- We are living in the time where God wants to release heaven to us
- Hear what God says: Believe and receive in the inside of our heart

b. I MUST BELIEVE WHAT I HEAR

- For two years God has released that He will do amazing things, did you believe it?
- If you are connected, you can have what the spiritual father has
- If God blesses him, He will also bless you
- Your belief system and accurate connection is very important
- Hear what God said, He said that He is going to bless you in an amazing way
- God will make it happen
- If you believe, you get it in your heart, when it is in your heart, no one can take it away
- If you want to stay free, stay out of the system

c. WE CANNOT HAVE DOUBT IN OUR MIND OF WHAT WE CARRY

- Get doubt out of your system
- When God says He wants to do amazing things through our lives, we must get the wrong things out of our lives and keep doubt out
- What you believe is what you eat from
- If you believe God, you will eat from what He says, if you believe the system, you will eat the system

- Believe and pray
 - Expect something from heaven to happen
 - Expect a miracle from God everyday

4. WE MUST CARRY THE WORD AND BELIEVE IT FOR THE REST OF OUR LIVES

- God said to this church to move out of Egypt, HAGGAI 2:4
- When you move out of Egypt, there will be a covenant
- This covenant says move out of fear and God's Spirit will remain
- It is dangerous to be in a church where God's Spirit is present
- Word given by God we must birth it
- When you go back to Egypt, you eat the fruit of Egypt
- When you go to heaven, you eat the fruit of heaven
- We must carry life from heaven
- Receive a breakthrough, continue to live in it
- When you walk in this realm breakthroughs come every day
- Become determined
- When you get breakthroughs with people, you continue in it, it must take you over
- When you stop, decrease will take place
- Continue to move to your next level

CLOSE

- Believe the word and remove the doubt
- Nobody can speak to your mountain, only you can
- Make a decision to live this lifestyle
- By God's grace start speaking to the mountain
