
DUNAMIS INTERNATIONAL FAMILY CHURCH

THEME: WALK IN THE WAYS OF THE LORD

18 October 2009 – Morning Service 1

Senior Pastor HL Bester

2 Corinthians 4:4-6 *'in whom the god of this world has blinded the minds of the unbelieving ones, so that the light of the glorious gospel of Christ (who is the image of God) should not dawn on them. For we do not preach ourselves, but Christ Jesus as Lord and ourselves your servants for Jesus' sake. For it is God who said, "Out of darkness Light shall shine," who shone in our hearts to give the brightness of the knowledge of the glory of God in the face of Jesus Christ.*

Know God then we know who we are

- We are overcomers
 - He that lives in me is greater than he that lives in the world
 - When we pass the test, we can become an overcomer
- No longer delayed: Ezekiel 12:28

God is releasing and it overflows to His children

- An overflow to His children
 - The flesh is so stubborn, our spirit needs to be in control of our lives
 - The only loser is us, God cannot lose because He is not stubborn. He wants to bless you in a mighty way
 - God is always ready, God is looking out from heaven with an overflow mindset
 - Senior Pastor wants to minister what comes out of heaven and not focus on needs
 - There is an overflow that is coming to the children of God
 - If God makes a decision, we will sense an overflow coming to the church, it is going to hit us in a mighty way
 - We will see the miracles in time to come
 - If you carry a spirit of fear, you attract all the demons to your place
 - When you operate in power and the spirit of love, the demons must leave you
 - When are we going to operate in that power
 - The grace and anointing and the power of God is increasing on a daily basis
 - We must not fear the tsotsi's (thugs), they must fear us
 - The person who lives in you is God and the Holy Spirit
 - We carry Jesus in us
 - Get Jesus on the inside of us and then everything will change when we reach out to people
 - We are the church, not a building, we need something on the inside to handle things
 - We are born again to handle life and when you can handle life, you are a winner
 - When you have God in you, you will be sensitive and know who is in charge, either you or the devil
 - Make His light shine in your heart
- Get yourself ready! Stand up! Jeremiah 1:17
 - God cannot just come when you do not live in the overflow
 - You need to live out the scriptures
 - When you obey, you carry heaven in you
- 2 Timothy 1:7

He has deposited so much therefore do not lose heart

- 2 Corinthians 4:6, made his light shine in our hearts
 - People need God
 - Revelations come from God, do not just run after pastors
 - You must shine your light, people must know that you are a Christian

Walk in the ways of the Lord

1. Christ must live in the life of people: Acts 8:5-8

- What lives inside that is what will remain
 - We must get Christ to the people
 - Live in suffering for the glory of His ministry
 - The message must get to peoples hearts
 - People will start listening to you as a leader when miracles follow you
 - Even evil spirits must leave when you walk into a room
 - Rather make a mistake and touch people's lives, than focus on perfection
 - Stop focusing on the outside things
 - Christ lives in you, it is not about a building
 - People want answers in their lives
 - A person who was sold out for the world, when they are saved, they will go full out for God
 - It is not about your life, it is about Christ living in you
 - Stop trying to impress and perform
 - What's important is what is on the inside of you and not your material things
 - When troubles come, the true person comes out, you need to get God in you so that you can handle pressure
 - God has put His hand on Africa and Africa will touch America, because America has made material things more important
 - It is God in your business and not you. You need to make God number one because provision comes from God. You cannot live without God
- 2 Peter 1:3
 - Are you successful in every area?
 - God wants us to be successful in all areas
- John 10:10
 - We must have life in our heart and then the overflow for the other things will be there
 - Make God number one and money number two

2. Allow His Spirit and prophesy: Acts 2:17-19

- Prophesy with God's Spirit
 - Your sons and daughters will prophesy, young men will dream dreams
 - Ezekiel spoke to the army of dead bones to rise up, because he was filled with the Spirit of God
 - When you are full of the Spirit, you can prophesy
 - Life and death is on our tongues
 - Be careful off wrong people in your lives, they can take you away from provision
- Time that we stop the devil
 - Everything that is wrong, you must stop it
 - Joel 2
 - God will pour out His Spirit on all the people
 - You as husband and wife need to prophesy, things can be changed
 - When you get bad news, never go into shock because bad news is from the devil
 - Get the Word of the Lord and prophesy
 - The cycle of decline and defeat is gone

3. Hear the sound of the Lord: Genesis 3:8-9

- Wrong people take us away from hearing
 - The first man and woman had an open heaven over them but because of sin, it was closed
- We need heaven's answers and provision
 - We need an open heaven and not people
 - We are going to need the voice of the Lord to move forward
 - We are 10 years ahead of other churches

- When God speaks, we need to listen
- Provision comes from Him and we need a Word from God
- Go to God and stop running to people when you have a problem
- Teach yourself not to do it anymore
- Someone will confirm what God has said to you
- Do not fight your children if they are serving God
- The day they stop serving God, then you want to blame God
- Sacrifice for your children because an open heaven has to do with God and not the Senior Pastor
- Think what would have happened to Adam if he had just listened to God
- What God says is important
 - Be connected to the right people
 - You can be dressed well on the outside, but on the inside, there is nothing
 - Your external appearance does not show what is on the inside
 - What God says to you is so important
 - You as a Pastor will get honour from God when you get Jesus to people

Closing

- God is going to do an amazing thing for business people, He wants to bless them in a mighty way
- An impartation will take place this morning. It will then flow over to the other businessmen
- It is about God this morning and not your business
- Make God number one because the increase will come from God
- What will be released this morning will happen in a month's time
- We cannot do without God
- **Pay your tithes on your total income as business people**
