### THEME: WALK IN THE NEW LIFE THAT GOD HAS PREPARED

15 November 2009 – Morning Service 1

Senior Pastor HL Bester

---

**Psalm 46:1-7,11** *A song of the sons of Korah. God is a safe place to hide, ready to help when we need him. We stand fearless at the cliff-edge of doom, courageous in sea storm and earthquake, Before the rush and roar of oceans, the tremors that shift mountains. Jacob-wrestling God fights for us, GOD of angel armies protects us. River fountains splash joy, cooling God's city, this sacred haunt of the Most High. God lives here, the streets are safe, God at your service from crack of dawn. Godless nations rant and rave, kings and kingdoms threaten, but Earth does anything he says. Jacob-wrestling God fights for us, GOD of angel armies protects us. Jacob-wrestling God fights for us, GOD of angel armies protects us.*

#### Introduction

- Do not take for granted what God is doing in our church
- God is so busy with the church, but sometimes we are not busy with the church
- God is going to take His church to touch a nation that is sick
- You only know life when you know God
- There is something greater than ourselves and that is His presence
- The revival will come because of the Word and Spirit of the living God
- We need to meditate on His Word day and night

#### Christ is not shakable

- He has lived out the life His Father gave Him
- He is seated at the right hand of the Father and we can get that same position to become unshakable, but we need to get that new life in us
- We sometimes want to allow the old life to be in control, but it is sick, it has no control
- In Romans 6:4 we read that we were baptized so that we could live a new life
- God will not come to your level to uplift your flesh
- God wants our spirit to be renewed in Him
- We must live in this new life that God has created
- If we have to walk in this new life of God, imagine where we will be next year
- We always want to bring God to our level, but He will not do it because your level is not good enough for Him
- He will only come to your level to tell you how much He loves you
- God is looking for a nation, for a man and woman who will say that they want to walk in this new way of God
- Truth must stick with us and lies must leave us

**Philippians 1:6** *There has never been the slightest doubt in my mind that the God who started this great work in you would keep at it and bring it to a flourishing finish on the very day Christ Jesus appears.*

**Romans 6:4** *When we are lowered into the water, it is like the burial of Jesus, when we are raised up out of the water, it is like the resurrection of Jesus.*

**Haggai 2:4-5** *"So get to work, Zerubbabel!--GOD is speaking. "Get to work, Joshua son of Jehozadak--high priest!" "Get to work, all you people!--GOD is speaking. "Yes, get to work! For I am with you." The GOD-of-the-Angel-Armies is speaking! 'Put into action the word I covenanted with you when you left Egypt. I'm living and breathing among you right now. Don't be timid. Don't hold back.'*

- God's Spirit is with you, do not fear
- Senior Pastor has a ring, because he has a covenant with his wife, he will not get divorced
- The ring speaks of a covenant with one woman

- We have decided to move away from an old lifestyle
- God says that His Spirit will remain on Him
- We must not fear
- Security is God pushing us into a next level telling us to walk this new life
- We fear the new life because we have to leave our old habits
- The moment we move into this new life, there is a covenant
- God is God and when you walk into that new life, His covenant will remain on your life
- There will be no fear on you
- You will operate in no fear
- When are we going to stop with this old nature, when are we going to say that the old nature will die in our lives?
- If you don't know God's covenant, you will fall and be in a disastrous situation
- When the enemies stand before you in the thousands, the new covenant will say that God will protect you
- You need to get scriptures from your Bible and let it come and take you to see this new life, which you have with God

## **Walk in this new life**

### **1. God's new life is a new season upon my life**

Some of us are struggling through things, but when God's new life comes upon you, there is a time when God makes a proclamation and He says that it is a new season over your life and then you refuse everything else and take on this new season.

- Make sure that we know who we serve.
  - What you serve will influence you
  - If you serve God, there will come a time that you will have no limitations, where nothing will stop you anymore
  - Things are falling apart, but God's Kingdom is standing
  - You cannot ask God for a new season and you are still serving the old lifestyle
  - You need to stop walking with the old lifestyle and thinking
  - There is a new season coming your way
  - God is putting so much truth in us because He is busy showing us that the new season is coming
- Joshua 3:5
  - God says that we should consecrate ourselves for tomorrow He is going to do great and amazing things among us
  - Those who have been consecrating their lives, will sense that there is a new season
  - The time will come that those who bluff themselves will move out
  - God will do amazing things in your marriage, personal lives, business, career, your ministry, God will multiply and multiply because it is a new season for us in the church
  - We must hold only onto God
  - Stop holding onto things, which you should let go off
  - The truth must not become a lie
  - God wants us to see the truth and experience revelation
  - Senior Pastor has a new day in His spirit
  - Be like a child before God looking for this new season
  - This new life will release a new season
  - This new season will release blessings upon blessings
- Prophecy and believe with all your heart
  - There is a new season upon us
  - God will do amazing things

## **2. God's new life must grow in our spirit and be strong**

- Haggai 2:4
  - If your mind is strong and not your spirit, you will not make it
  - Your spirit needs to grow, if not, you will remain weak
  - God gives everybody the opportunity to be strong
  - Get rid of your religious thinking
  - So many people hold onto religious thinking
  - Your body will get older, but your spirit will get new and fresh
  - God is coming for a strong church, which God can use in the marketplace and the world. Their spirits will be strong
- 1 Corinthians 1:8
  - God will keep us strong
  - When your spirit is strong, nothing will keep you back
  - When you sin and argue with your spouse, you will feel weak and not strong
  - When trouble comes, hold onto the spirit world, pray in tongues, so that when the attacks comes you will be strong
  - Come to a place where you need to break out
  - Stop trying to live in dignity, break out and become strong in the Spirit of God
  - Handle big things, get out of the box
  - New life has to do with growing your spirit
- Hebrew 4:12 God's Word is living and active
  - When God's word is in you, you can overcome death and fear
  - Death will not be your problem, you can overcome it
  - Fear holds people
  - If you do not pay tithes, you cannot serve God
  - You first serve God with your money
  - If you do not trust God with your money, you will kill what God wants to do in the church, that is why you will not minister from the pulpit
  - If you carry new life, you will understand that the way you give your money to God, that is the way you will take care of people
  - When His word comes upon you, you will overcome everything

## **3. God's new life in us will accomplish and take over**

- Ezekiel 37:13-14
  - Dead bones will not affect you anymore
  - You must be careful who is around you and who your friends are. If people are negative, rather move away from them. Don't allow circumstances to affect you anymore
  - You need to accomplish and take over
- Ephesians 3:20
  - The power of God is working on the inside of us
  - Do not fight the power of God
- Luke 10:18-19
  - God has given us authority to trample on snakes and scorpions
  - We can overcome all the power of the enemy
  - God wants us to be confident and to run to our destiny
  - Because we have moved out of Egypt, we are going to see more than that
- Cross over to take over
  - If you are not going to take over in this life, you will be taken over
  - Crossing over has to do with take over, you do not just cross over for nothing
  - The pastoral leadership will pastor supernaturally
    - You will meet every need
    - Expect a miracle daily
    - Utilize every gift
    - Mobilize every person
    - Influence every friend
    - Multiply every dollar

- Get to where God is and become strong
- You should stand up and say 'Thus says the Lord'
- Prophecy this new season over your life in the Name of Jesus
- Prophecy over yourself, do not wait to hear a Word in church

### **Senior Pastor Hennie's prophecy over his life**

Senior Pastor will carry the life, he will carry Christ in him. This will mean that when we do it, we cannot speak badly about the nations and people. Senior Pastor has prophesied this year that every demon will bow before him, next year he wants to go maximum, he wants to build and he has asked God to bind the devil so that there will be no interference. He prophesied that there will be no attacks upon his life and the church.

- We will take over
- Our challenge will be how we are going to handle all these blessings

### **Thank God for a new life and season upon our lives**

- Thank you for a new season upon my life
- Something is about to happen
