

**THEME: HOW MUCH OF THE NEW LIFE ARE YOU CARRYING**

22 November 2009 – Morning Service 1

Richard Kuit

---

- Our worship needs to increase, connecting yourself with God will take you where you need to be
- We need to open our hearts so that we can worship God
- The moment you start worshipping God in Spirit and in truth, God takes you to new dimensions in the spirit and God starts showing you things
- God wants every person to be involved in what He is doing, He doesn't want anyone to miss it
- God is busy with transformation
- **We need to live and carry new life**
- **The moment you carry new life, you carry transformation**
- God is busy transforming us into something much greater
- E.g. a worm transforming into a butterfly
- **The problem:** While God is busy changing/transforming us, we sit and crawl like a worm, even if we are a butterfly and we can fly
- **We do not understand the new life in us, there are no limitations, nothing can hold us back**
- **This new life will take us to take over**
- **You need to know what you are carrying**
- God is busy changing us into eagles. An eagle is the only bird that flies into the storm, there is no fear, he understand what he is carrying
- **Do we understand what we are carrying? The life of Christ**
- God placed His Spirit in you, that same life that raised Jesus from the dead, is in you
- **What are you busy doing with that?**
- **How much of this new life are you busy carrying?**
- **This new life brings a new season**
- **What happens when there is a new season?** Change
- This new life that God wants us to walk into, brings change, we have to take of the old ways, patterns, habits etc
- **Are you changing?**
- **Are you becoming a new person, are you carrying something new within you?**
- **Pray:** "God I want to be transformed!"
- **You need to let go of those things that are insufficient**
- **Senior pastor released maximum growth for next year**
- **You need to change very quickly**
- **If you are not going to change, you will not move into the new**
- The old and the past will determine your future the same way as the new is going to determine your future
- **If you do not let go of the old, you will not change and move into the new**
- God has something great planned for us for next year
- **We are not going to know what to expect in coming to church next year**

**Philippians 3:13** *"Brothers, I do not consider myself to have taken hold of it. But one thing I do: forgetting what is behind and reaching forward to what is ahead"*

**Matthew 9:17** *"And no one puts new wine into old wineskins. Otherwise, the skins burst, the wine spills out and the skins are ruined. But they put new wine into fresh wineskins and both are preserved"*

- **If you are going to mix the old with the new, it will bring destruction**
- **God is saying:** "I want to release My glory on everyone in the church!!" God wants this for every person. He does not have favourites. God is going to release His power and anointing on everyone in the church

- **How big your heart is, is how much you will be able to handle**
- **How much of this new life you are carrying, will enable you to receive from God**
- **How big is your heart, how big is your spirit, how much can you handle?**
- **Are you keeping the old with you?**
- Some of us will carry small amounts, because of our spirits being small
- **Ask God that you will be able to carry as much as possible**
- **The power and anointing that is going to be released is going to help you overtake and to overcome**
- **God will release His anointing on everyone and you need to be ready for it**
- **Say:** "God I need to let go of the old. Our spirits must be large enough for that what You want to release in the days to come. Let our hearts and spirits be ready to receive from You and what You want us to carry and to handle"
- **God wants to show you where change needs to come**
- **If change does not come, you are not entering**

**Numbers 13:26** *"The men went back to Moses, Aaron and the entire Israelite community in the Wilderness of Paran at Kadesh. They brought back a report for them and the whole community and they showed them the fruit of the land"*

- Moses send out spies into Canaan to see what is happening there. There are certain things that these people did not let go off, therefore they could not enter, but Caleb was carrying the promise of God and he was connected to God, he knew that it was possible to overcome

## **7 THINGS THAT WE NEED TO SHAKE OFF TO ENTER INTO THE NEW LIFE:**

### **1. Shake of the past otherwise it will determine your future**

### **2. Watch your confession, stop talking negatively**

- Your confession will draw what you are saying

### **3. Shake of complaining and murmuring**

- Your problems will become bigger that it is really are

### **4. Shake of fear and uncertainty, you cannot enter into the new life if you carry fear and uncertainty**

- We cannot expect God to give us maximum growth if we carry fear, get rid of it
- Walk in faith and start trusting God as Caleb did

### **5. Shake of stubbornness**

- Especially men, we become set in our ways
- We become stiff necked
- God wanted to wipe the people out because of their stubbornness
- Stubbornness will kill you and lead you to destruction, spiritually you will die
- Start listening and allow God to transform you into something greater
- God wants to take out and put new things in you
- Stubborn people want to stay they way they are

### **6. Get out of the place of comfort**

- We only welcome change if it does not affect us and when you must not pay a prize
- If you want to stay in the comfort zone you will eat the fruit of it

### **7. Shake of that low self image**

- E.g. The spies were much larger than grass hoppers
- Know what is in you and what you carry
- Start believing in the life that God has place in us
- We have the power to speak a word and it will happen as long it is to the advantage of His Kingdom

- **It does not happen how many times you have lost in the past, this is a new season**
- **You will start moving into the pattern of taking over. Taking over Cities, a generation that will take over nations and be fearless**
- We cannot take over if we carry the above in us
- **Start to work constructively to change**
- **Change is here to stay**
- In the natural there is constant change in the same way in the spiritual there is constant change
- **God is transforming us into new dimensions and carrying more of God**
- Get rid of the stuff that you need to shake off
- **Religion and money will kill the revival, get rid of the old patterns**
- The Bible says if you get closer to God He will quicken your immortal body
- **If you get connected to God, most of your issues will start disappearing**
- **Only God can bring change within you, stop waiting for somebody to pray for you**
- **The problem is if you are not carrying the new and senior pastor is going to impart and transfer, you can get hurt**
- We must be in our inner rooms and changing our patterns and habits if not we are not going to go into the new life
- There is no time, God is going to release great things upon great things
- **We must become supernatural Christians next year**
- **God must speak to you on a daily basis and you must receive revelations from God**
- **Pray: "God come and touch us and renew us in Jesus Name"**

### **THERE ARE 3 AREAS WE NEED TO BRING CHANGE IN:**

#### **1. You need to bring change in the time you spend with God**

- It is not sufficient to where God wants to take you
- **If you are carrying little and God wants to give you a large capacity, the time you spend with God must increase otherwise you will not be able to carry a lot. God's blessings on your life will be greater than the person sitting next to you**
- **We need to bring more worship into our inner rooms**
- **Stop praying for stuff and worshipping Him more**
- **Worship a hour and let God deposit new life into you**
- The moment you start worshipping God, change starts happening
- **While you are worshipping God, God will open doors for you, God will change the problems and circumstances. Nothing will come against you what you are not able to handle. We need to lift up God**
- **God's presence must come down in your atmosphere, so that change and miracles can start happening**
- **You must release victory in your inner room**
- **You do not only need an answer for everything, God has the answer, start lifting Him up**
- **Let there be a newness in the time you spend with God, then God is going to release new life**
- **Start prophesying and proclaiming the promises He has for you**
- **Trust God and know that everything God says will happen**
- **Place your hope and trust in God**
- **Jesus was connected to God the Father and in the Spirit He called down the reality and principles of the Kingdom, God wants us to walk in the same reality where we call down the reality of the Kingdom**

#### **2. You need to start feeding yourself with truth**

- **You need to feed yourself with present truth**
- Do not feed yourself with that what happened years ago
- **The new seasons carry new things and challenges**
- **E.g. Samson threw the donkey jaw bone away the moment he finished the task because He knew it will not be sufficient for the next challenge/task**

- **Feed yourself with what God wants to do *now***
- **Take the things that are released from the pulpit**
- **The moment you understand, life is released and it will be easy for you to walk into the new life**
- **The father and mother of DIFC are carrying more than what we need**
- **There is a specific assignment in this house and God wants you to walk in this assignment and take you forward in this assignment**
- **Identify with what the father and mother of this house carries and start carrying it**
- **What will bring a change in your life is what the visionaries carry**
- **The new life has a lot to do with sons and daughters**
- **You cannot be far from the visionaries and receive what they are walking in**
- **Your perception of the Kingdom will change the moment you carry the right things**

### **3. Connect yourself with people that are carrying this new life**

- You need to connect yourself with the father and mother of this house

**2 Kings 2:1-12** *The time had come for the LORD to take Elijah up to heaven in a whirlwind. Elijah and Elisha were traveling from Gilgal and Elijah said to Elisha, "Stay here, the LORD is sending me on to Bethel." But Elisha replied, "As the LORD lives and as you yourself live, I will not leave you." So they went down to Bethel. Then the sons of the prophets who were at Bethel came out to Elisha and said, "Do you know that today the LORD will take your master away from you?" He said, "Yes, I know. Be quiet. Elijah said to him, "Elisha, stay here, the LORD is sending me to Jericho." But Elisha said, "As the LORD lives and as you yourself live, I will not leave you." So they went to Jericho. Then the sons of the prophets who were in Jericho came up to Elisha and said, "Do you know that today the LORD will take your master away from you?" He said, "Yes, I know. Be quiet. Elijah said to him, "Stay here, the LORD is sending me to the Jordan." But Elisha said, "As the LORD lives and as you yourself live, I will not leave you." So the two of them went on. Fifty men from the sons of the prophets came and stood facing them from a distance while the two of them stood by the Jordan. Elijah took his mantle, rolled it up and struck the waters, which parted to the right and left. Then the two of them crossed over on dry ground. After they had crossed over, Elijah said to Elisha, "Tell me what I can do for you before I am taken from you." So Elisha answered, "Please, let there be a double portion of your spirit on me. Elijah replied, "You have asked for something difficult. If you see me being taken from you, you will have it. If not, you won't. As they continued walking and talking, a chariot of fire with horses of fire suddenly appeared and separated the two of them. Then Elijah went up into heaven in the whirlwind. As Elisha watched, he kept crying out, "My father, my father, the chariots and horsemen of Israel!" Then he never saw Elijah again. He took hold of his own clothes and tore them into two pieces"*

- **Serving means that you are labouring with the visionaries, you see what they see, you start talking the way they speak**
- **You will not be able to receive your portion if you do not connect with the father and mother of this house**
- **Loyalty is what God is looking for in us as children of God**
- **Warning:** Do not be distracted from your destiny. It is connected to the father and mother of this house. If we leave them, you lose destiny and lose your portion
- **Start laboring with them and when they release something, act on it**
- **We should put in more of the effort and time they put in**
- **The spirit that the father and mother is carrying, God wants to release those dimensions, but you need to be close to them and be near them and walk with them. God will then release the portions they are carrying to you**
- **You don't need to spend time with them in their house, when they release something you need to run and do it**
- **The same burden they are carrying, you must carry, maximum growth will become yours and the double portion will become yours**

## **Closing**

- **God wants to release such life in us**
- **Transformation must happen, God wants to release the dimensions of the Kingdom**
- **The visionary's hearts is for us to become like them and do more and better than them**
- **Start changing your patterns and habits**
- **"Touch the doers and impart Your Spirit and destiny in their hearts"**
- **Start opening your life for change and change quickly**
- **You need to start carrying the new life what God and the senior pastors are releasing**
- **God has called you to make a difference in nations**
- **We are standing under leaders that are going to influence nations, what a privilege it is, start honouring, serving and labouring with them**
