

DUNAMIS INTERNATIONAL FAMILY CHURCH

THEME: GOD'S NEW ORDER FOR THE CHURCH OF TODAY

29 November 2009 – Morning Service 1

Senior Pastor PN Bester

- God is putting His hand upon our lives, He is breathing His very own breathe of life in us and is saying: ***"I am giving you new life, walk in it. For those taking this new life and for those walking in it, exciting times are coming"***
- **Now is the time of the Lord!**
- ***"Now is the time where You will reveal Yourself to Your church. You are going to reveal Yourself to us in a greater measure"***
- **The days are coming that we will really not just think that God is in us, but know for sure He is living in the inside of us, because of this new life that we carry in the inside of us, we will bear much fruit, we will bear and reproduce after our own kind and it will be good**
- **We are moving in the times where God wants to pour Himself out over us**
- **He wants to expand us**
- **He wants to take us to the maximum**
- **God wants to speak to us and reveal Himself to us**
- **God wants to manifest Himself, make it your own**
- **God does not want us to be ordinary anymore. We have to be different**
- **God is taking us out of the box, out of the Old Order and into the New**
- **It's an order of rulership and government**
- **He wants rulership to come into the inside of us**
- **We must come out of being spectators. Get into what God has planned for you**
- **God's hand is like a thick cloud hanging over us**
- **God is giving us new life, we must take it**
- **The old is gone, it's a new day and it's a new season. A season of power, growth, abundant blessings and new life**
- **Exciting times are coming, it's on our doorstep**
- **We must lift God up wherever we are**
- **We must stop thinking God is in us, we must KNOW God is in us**
- **We must reproduce after our own kind**
- **People must begin to know God**
- **We will no longer be operating only under the anointing, but under the New Order**
- **As we tap into this order we will tap into the Lord Jesus Christ and then we will minister from the Throne**
- **We will become dangerous, what we say will happen**
- **The more we tap in, the more His power will be released**
- **As God speaks, we must connect**
- **God wants us to operate from the spiritual realm**
- **The New Order is very dangerous. When you speak with that authority, it will happen immediately**
- **We are getting to the place where we will have a lot of power**
- **God is raising up a certain ministry that will be from the Throne. It will not be from the earth, but from heaven. We will minister from the Holy of Holies. When we speak, it will be done**
- **God is looking for a specific kind of people that will be in the same realm where He is, we will operate from that same realm, step into this dimension**
- **God wants to communicate to us face to face. As He speaks, you connect. As He says it, you declare it and it will happen immediately**
- **We must rise up to the Throne and operate from the Throne. When we start to rise up to the Throne, we will no longer struggle with sin. We will be cut off from sin and sickness. There will be no sin in our lives**

- **We will function in a different manner, the flesh will die. We will live in the Spirit, by the Holy Spirit**
- **We will come to a place of power that flows from the Throne, our focus will be rulership**
- **God is raising up a new company of people, a church that will reveal the manifested powers of God that will subdue the enemy**
- **We will be living in a dimension of power, a place where Jesus is**
- **We must see in our mind what God sees**
- **E.g.** Bartholomeus saw with his blind eyes that he could see, we must also see
- There must come a shout from within us. For too long we have been quiet and reserved, full of dignity. This must change
 - **Your first shout will attract your enemies**
 - **The second shout will be a shout from God**
 - **The third shout is a great shout that will bring down the walls of Jericho**
- **There must be a shout that will draw angelic creations into our midst. This shout cannot be shut down by the enemy, nobody can shut it down**
- **You must have a shout within you, this shout must shake the enemy, shake the world. For too long we have been quiet**
- **We must break out, break loose, break free**
- **Don't accept limitations any longer**
- **Line yourself up to what God is saying**
- **Begin to shout the goodness of God. Shout that He is a mighty God, God is an awesome God**
- **Whatever your circumstances, don't stop shouting**
- **Shout unto the Lord with a shout and praise of triumph**
- **There must be a shout that will draw angelic creations into our households**
- **We will become aware of the angels in our midst, wherever we go**
- **What is happening inside your house?**
- **If you are fighting, talking negative, shouting bad, the angels will not be in your house**
- **If you are in the flesh, you cannot understand the things of the Spirit**
- **We must come to a place where we will enter in**
- **We will never produce fruit when we live in the Old Order**

IT IS NOW GOD'S TIME:

- It is time for the church to come to a place of living under the New Order

The new order that's coming, is the Order of Melchizedek

Genesis 14

1. When we live under This Order we can no longer please people

- *We must please God at all times. There are so many churches that have lost the anointing because of no longer allowing God to be in control*
- *It is all about pleasing people and keeping them happy. Those people will never become strong in life, they will stay babies*
- *If your zone pastor must always try to keep you happy, you will not grow strong in life*
- *Only living in God's presence can give us real fulfillment*
- *We always find something to moan about, we must stop wanting attention*

2. The New Order is established in righteousness and peace in the Holy Ghost

- ***Righteousness is the inner quality that establishes God's government on your life***
- *We will be led by the peace of God*
- *Know that God is on the inside of you*

3. **The tougher your enemies, the stronger you will become**
 - *Righteousness is going to pay back. Whatever people would want to do to you, they will not be able to cross that line. Those that started a fire, will be burnt by it*
 - *The enemy will no longer be able to steal from us because of our rulership and authority*
 - *God has put His foot down in 2007*
 - *There will be sovereign interventions of God in our lives*
 - *God will jump into the scene and protect you from the enemy*
 - *You will become alert so that you will never become a victim of the attacks of the enemy*
 - *God will protect your family, He will warn you when attacks are coming*
 - *We will focus on rulership*
 - *We will no longer allow ourselves to be trampled on, we will trample on snakes and scorpions*
 - *We are moving into a time where we will subdue*
 - *We will become determined*
 - *The enemy will know that he can not come near us*
 - *God will fight for us*
 - *We will live in a dimension of power, a place where Jesus is*
 - *God wants you to become a victorious person*
 - *You will begin to dare to speak out and speak up*
 - *It is now the time of God, things are going to happen*
 - *What we speak and declare will begin to happen*
 - *This New Order has no limitations*
 - *We need to take up rulership, authority and government.* This is for every person, not only for leadership
4. **Many times we are so frustrated, our emotions are boiling**
 - *Peace will be our new order*
 - *We will be ruled by peace*
 - *Righteousness must be from the inside*
5. **In the Old Order you feel, in the New Order you be**
6. **In the Old Order there is condemnation, in the New Order there is deliverance**
 - *When we put our hands on people, they will be healed and delivered*
 - *People will begin to run to the church and cells because they will be delivered*
7. **It is not about doing the right things, it is about doing things right**
 - *A good thing is not always the right thing*
 - *We must discipline in love*
8. **The old is about the Aaron (Levitical) priesthood, it is about severe punishment, the New Order is about the power of love. It is an order of mercy**
 - *If you judge people for their sin and not bring them to the cross, you are still under the Aaron (Levitical) priesthood. At a certain point you shut off*
9. **In the old order flesh lives. We become bound by how we handle sin. In the new order flesh dies**
 - *Provision is not outside His presence, but inside the presence of God*
 - *In His presence He will put an end to the flesh*
 - *We therefore need to get into His presence*
 - *Men need to get closer and closer to the Throne*
 - *We will then minister life and not death*
 - *God will sort us out if there are things in our lives that we need to deal with*
 - *He gave us the ability to deal with sin*

- *Everything that is not from Him, will be revealed*
 - *God's nature must live in us otherwise we will have no power over sin*
 - *To walk in the Lord of life will give us power over the lord of sin*
 - *You will move out of the flesh and into the Spirit*
 - *It's time for the church to come into a place of living in this Order*
 - *Start moving into the New Order*
 - ***The Old Order is fleshly, the New Order says flesh and sin dies***
 - ***When you are in the flesh, you can not understand the realm of the spirit***
 - *Don't try to figure out the things of God with your fleshly mind*
 - ***Move away from things that are not of God and get busy with God***
 - ***We must deal with the things that are not of God***
 - ***In this New Order, God is going to reveal and deal with sin in our lives***
 - ***Get rid of the things that are keeping you away from your destiny***
 - ***It is the time where God is shaking heaven and earth***
 - ***God is going to shake us, everything that is not of God will be revealed***
-
- **When you live under the order of Melchizedek, you will feel how God is drawing you closer to Him. You cannot get enough of God**
 - **The 'Aaronic' people will always reveal to you who you are not. The Order of Melchizedek will reveal to you who you have become**
 - **When you are under This Order you can stay for a long time in His presence. You can feel who you are. You can dance, laugh and sing a new song**
 - **The Order of Melchizedek has better/greater promises**
 - **Don't be a quitter**
 - **Stay in the Word of God**
 - **Stand on God's promises**
 - **Don't allow anybody to take you away from what God has given/revealed to you**
 - **God gave the cross so that we will be cut off from sin, but we cannot stay in that place, we need to move to the Throne. Enter unto the Holy of Holies**
 - **Move to the place called: "finish"**
 - **God wants us to be determined to finish the race**
 - **Be part of a finishing generation and not in a place where we always want to give up and not persevere**
 - **Step into the dimension of God**
 - **Start living in His atmosphere**
 - **Start living in the spiritual realm**
 - **Start seeing through spiritual eyes**
 - **This New Order is ministering from the Throne Room of God**
 - **You become addicted to God and the things of God**
 - **You minister under a New Covenant, full of God's glory**
 - **We can worship God and love His glory**
 - **God's manifested glory will become part of our lives**
 - **We need to enter into the most Holy Place**
 - **See God on His Throne. See the angelic creations around you. See the heavenly realms**
 - **This is for every person who desires it**
 - **Get to a place where you will worship God in Spirit and in Truth**
 - **Stop playing in the shallow waters, move to the ocean**
 - **Let your faith arise**
 - **Get to a place in worship where you are not worried about time, but only want to be with God and in His Throne Room where you see the angelic creatures and see the Throne of God and Him sitting on the Throne**
 - **Get to a place of: "more than enough"**
 - **This New Order speaks of abundance, of more than enough**
 - **We are still playing in shallow waters. God wants us to go deeper**

- In the Old Order, you never feel good enough, never strong enough. People can never stay in the presence of God long enough, they are under the 'Aaronic' Order
- There is much more to be discovered in this New Order. We will begin to see with our own eyes
- **We will not have to wait for heaven for things to happen. Heaven will be inside us and we will make things happen. Start living in this New Order. Start living in this dimension of power. We will not have to wait for heaven for things to happen. We can have heaven on the inside of us. Become a carrier of heaven**
- **Let revelation become part of your life and let it flow from within you to others**
- **There is a groaning in the Spirit. Creation and the Holy Spirit, together with our spirits are groaning**
- **God is producing The New**
- We are the first fruits
- **Something is about to happen**
- **We are about to be caught up to the Throne**
- Come on, be part of this!
- **In your seed all families of the earth will be blessed. That seed is a company of people, it is a violent seed**
- **The seed fell to the ground and brought forth a great harvest**
- **Get ready to come into this New Order**
- **He is going to do miracles, that which is natural will become supernatural**
- **He will bring us into a place of abundance**
- **Miracles will come because of this Order**
- The Old was good, but it could never satisfy God. The Old Covenant is absolute, it is cut off
- **To know God means that we must know Who He really is**
- **Only when we know God, can we walk in this New Order**
- **We must get into the presence of God more than ever before. We must enter in and stay there**
- **Stop playing around and get into God's presence**
- **Change is coming!**
- **The normal is not going to happen any longer**
- **We are coming into a New Order**
- Don't just sit and look, be part of it
- **As we enter, we will be finished with sin in our lives**
- **God is going to take away our frustrations and our bad vocabulary when we come into the Throne Room**
- **We will come to a place of power that flows from the Throne**
- We must get in line with what God is saying, see what He is seeing
- **God is seeing a people rising to their full potential. God did not create nobodies, He created people with purpose**
- **He created a generation that will move in His power**
- **Each one is important to the Kingdom of God**
- **You are an instrument in the hands of God**
- **Be willing to be used by God at any time and any way He wants to**
- **When you live in the spiritual dimension, you will hear the angels**
- **God is pouring Himself out over us. We must receive it and make it our own**
- **Move into a fresh dimension.** It's a dimension of more than enough and abundance
- God is pouring out His joy
- **We have to get into the Spirit of God and stay there. The more you do it, the more God will become part of your life**
- **The Spirit of God will become inseparable from you**
- **Provision is not outside His presence but in the presence of God**
- We need to be able to get into God's presence if we need provision in our lives
- **We need to know Who God is**
- The time is coming where we will move into this dimension
- **We will minister life and death to the people**
- God sent His Son to die so that we can live

- **We can not stay at the place of salvation, we must start knowing God**
- **God will draw us closer to Him**
- **You will always want more of God when you are in this Order**
- **You will have a concern and empathy for people**
- **You will want people to drink from the same river that you are drinking from**
- The Old Covenant is gone, we must get ourselves in line with the New Order
- Get out of the 'Aaronic' priesthood
- God is your Creator and He knows the condition of your heart
- **God is bringing an end to the wrong things**
- **You must know you are a conqueror. You are free**
- **Allow discipline in your life**
- Don't disconnect yourself. Disconnection is a dangerous place to be
- **Start living in the atmosphere of God**
- **Create an atmosphere of God around you and wherever you go**
- **Start living in the spiritual realm, start seeing with spiritual eyes**
- **Let your faith arise**
- **Let revelation become part of you**
- **Let God enlarge your capacity**
- **You will no longer get tired but you will be able to go on and on because of the life in you**
- **We are about to be called up to the Throne of God**
