
DUNAMIS INTERNATIONAL FAMILY CHURCH

THEME: A MIRACLE IN THE HOUSE

6 December 2009 – Morning Service 1

Senior Pastor HL Bester

Genesis 22:14-18 *"And Abraham named that place The LORD Will Provide, so today it is said: "It will be provided on the LORD's mountain." Then the Angel of the LORD called to Abraham a second time from heaven and said, "By Myself I have sworn, says the LORD: Because you have done this thing and have not withheld your only son, I will indeed bless you and make your offspring as numerous as the stars in the sky and the sand on the seashore. Your offspring will possess the gates of their enemies. And all the nations of the earth will be blessed by your offspring because you have obeyed My command"*

- In the future training will take more time than preaching
- **Senior pastor said to the Lord:** "The time of playing around like a fool, the church must stop with that"
- In September 2009, senior pastor called in his staff and said 2010 will be a year of maximum growth in DIFC
- It was confirmed by Dr Jonathan David that next year will be a year of maximum growth
- **This house will become a miracle**

- **2010 will be a miracle year with maximum growth**
- When you release something, it must be backed up by the Word of the Lord
- **Senior pastor got the confirmation from God that this will be a miracle church in 2010**
- **SENIOR PASTOR IS SURE THAT DIFC WILL BECOME A MIRACLE CHURCH**
- God will do something amazing
- **God will provide. God will not provide in the small, He will provide in the big**
- When you ask big, you will get big
- Come to a place where you prepare your heart for maximum growth in all areas
- When God decides on something, there is guarantee in it. The only people that abuse it, is us
- **We must be careful for our movements especially when we rest.** Be careful where you are putting your feet and what you are thinking
- **You must prepare your heart for maximum growth**
- **Senior pastor is ready for 2010**
- **Say:** "I believe I am a miracle"
- **Be bold and say:** "I am ready for maximum growth, in all areas, God is going to provide for me as He did for Abraham"

- **God will provide, release provision from heaven**
- **Be a miracle, Maximum growth in all areas**

- 1. **Believe for a miracle in the house**
 - **God has put His foot on DIFC in July 2007 and said:** "Nobody will touch what I want to do in this church"
 - **We will become so strong that people will become frightened**
 - **The hand of the Lord God and His Spirit will be deep in our hearts and we will become a threat to the world**
 - **People who has God in their lives will be used supernaturally by Him**
 - When you talk about it in your head, it can be taken away, but when you carry it in your belly and you know it is in your heart, it cannot be taken away from you
 - **The Good news:** God works through the head to the body, what the father of the house receives the body can receive

2 Kings 2:9 *"After they had crossed over, Elijah said to Elisha, "Tell me what I can do for you before I am taken from you." So Elisha answered, "Please, let there be a double portion of your spirit on me"*

- Elisha asked for a double portion of the spirit of Elijah
- If senior pastor stays more with God, everything that God has done for senior pastor, will be released in the double
- **There must be a longing in your heart for the double portion, a desire, a cry:** "Lord, I want a double portion of You"
- If we can get the double portion of what senior pastor has, we will receive miracles in our life's
- **The church operates this way:** we only prepare for Sundays and the whole week we live another lifestyle, **when you live for God you always live in His presence and at His Throne**
- You don't wait for Sunday morning service to go and eat afterwards. No, you stay there and move higher with God
- Most of the time people are only happy when they have money in their pockets. We can be happy and have joy in our hearts if we stay at the Throne
- Worship is about God's Spirit
- **If you want next year to be a miracle, you need to be where God is**
- Senior pastor is so at rest. You are in the flesh when you are in unrest. Our desires, anxieties become stronger than His presence
- **Next year is a year of more consecration before God, if you want the double portion you must be in His presence**
- If you want to be a miracle you cannot live a fleshly life, God will sort you out
- Senior pastor made himself available to the Lord
- **Say:** "Lord I want to be a miracle"
- Next year we will see healings. How the business world will expand, the education will be taken back, etc
- **They will call senior pastor:** A miracle
- **Next year will be one of the greatest years ever**
- Stay in this church
- **Say:** "God I want a double portion on my life"
- Even if you are a sinner now, next year can be your greatest year

2. Believe that we will become the move of God

- Not the church of God, the MOVE of God

Acts 2:17-18 *"And it will be in the last days, says God, that I will pour out My Spirit on all humanity, then your sons and your daughters will prophesy, your young men will see visions and your old men will dream dreams. I will even pour out My Spirit on My male and female slaves in those days and they will prophesy"*

- The above will take place, not because we are wonderful, but because of God's power and Spirit that is on us
- **God's nature will be on us**
- **We will operate naturally, but we will become supernatural**
- **His power and Spirit will be on, in and around us**
- **Next year when people want to fight you, they will die physically.** Some people had enough grace
- **You cannot touch the move of God**
- **Nobody can touch us**
- If they do, some will die in their spirits and some also will die physically
- **The fear of the Lord is coming back to the church**
- If DIFC is going to be a miracle, be careful what you say about this church
- **The miraculous power will cause you be lifted up from nowhere to somewhere, you will do amazing things**
- **God will reveal things to you, revival will break out**

- **God is going to anoint two generations at once**
- The young men and women will prophesy and the older people will dream dreams
- **The whole church will be anointed by God**
- **Two generations will come together and they will start pushing back the works of the enemy**
- Senior pastor depends on God, not on the church
- Stop telling your children at home not to give their lives to the vision or not to give their tithes
- **God wants to anoint us and He wants to put His hand on you**
- There is no anointing at home, there is confusion
- Have your children and you got the same anointing in your house?
- **Are the 2 generations in the house anointed before God?**
- Money is not a problem to God
- If you die for money, you will get money
- **Work accurately with your money, don't waste money**
- **The move of God is not on our level, it is on God's level**
- **Breakthrough in all areas**

Joel 2:28 *"After this I will pour out My Spirit on all humanity, then your sons and your daughters will prophesy, your old men will have dreams and your young men will see visions"*

- We will be anointed with His power
- A generation that will move in His power

3. Believe that we came to a place of accurate connection

- We think because we know somebody, we are accurately connected

2 Kings 2:4 *"Elijah said to him, "Elisha, stay here, the LORD is sending me to Jericho." But Elisha said, "As the LORD lives and as you yourself live, I will not leave you." So they went to Jericho"*

- **Elisha said:** "I will not leave you, I will not forsake you." Elisha was serious to stay connected
- **Don't only be connected to your pastor or the Man of God. Are we connected to the God of the Man? If so, you can be on senior pastor's level**
- **Who you are connected to releases explosion or not**
- **If you are connected, you will have explosion**
- **Senior pastor is waiting for the days where we need to hire halls for our cells because our houses are too small**
- **When you are connected to God you carry something very important**
- **If you are connected, people will come because you carry something that they want**
- **Great explosion will take place**
- **We don't want our flesh to die.** It is nicer to talk to your buddies and talk about things than to be on your own with God
- **When you get out of your inner room, nothing but explosion can take place. Why? Because you are connected**
- **Leave your friends and go and get your water level right**
- **When you are full of God, explosion will take place**
- **In the future no building will be big enough to hold the people**
- **We will have 8 services on Sundays**
- **God is going to touch the people's life's**
- **If we have God and the Holy Spirit in us, healing, miracles and finances will be supplied, He will supply in all your needs**

4. Believe that we will touch the Market Place

- **The biggest harvest is in the Market Place**

Isaiah 6:8 *"Then I heard the voice of the Lord saying: Who should I send? Who will go for Us? I said: Here I am. Send me"*

- **Carry the consuming fire of God**
- **If you carry consuming fire, how can you go to church and not go into the Market Place?**
- **Problem in the church: We have lost our assignment and that is to touch people in the Market Place not to say: "God give me!..."**
- You must not eat what you like, you must eat what you need
- **When you are overweight you cannot give your best to God**
- **Most people fool around, they do not want to do something for God**
- **The standard in DIFC will become higher**
- **The biggest problem: To keep your goal weight**
- **The consuming fire of God will break down our bodies if we are overweight**
- **We must be totally alert and hear what the Lord is saying: "Who will I send?"**

- **"Church, get ready for 2010!!"**
- **You must go for maximum**
- **Fullness of God and His fulfillment will come through**
- **We must come to senior pastor's level before he will go**
- **God must work in our church**
- **We must go into the Market Place**
- **The world must come from all over and ask: "How did you do this?"**
- **In a miracle church, miracles will take place everyday**
- **Our strength will be the church**
- **See how you go into the spiritual world and take back**
- **We must stay spokes men and women for heaven**

- BE CAREFUL OF YOUR MOVEMENTS
- STAY WITH US, WE STAY WITH GOD, STAY WITH US, TRUST THE LORD, WE WILL BE A CHURCH OR MIRACLES
- EVERY AREA WILL MULTIPLY – FAMILY, PERSONAL, SPIRITUAL LIVES, FINANCES, YOU WILL RUN TO THE RIGHT DOCTOR, WE ARE GOING TO FIGHT THE DEVIL, WE WILL CHANNEL THE MONEY TO GOD'S CHILDREN, GOD WILL GIVE US THE STRATEGY TO GO INTO THE MARKET PLACE, OUR CONNECTIONS WILL BECOME STRONGER ETC
