### THEME: GOD HAS A MAXIMUM LIFE FOR US IN 2010

10 January 2010 – Morning Service 1

Pastor Wentzel du Plessis

---

- It is vital that we will immediately step into maximum
- God has a maximum life for us in 2010
- There is no time to take or time to linger
- We have to step in immediately
- **God gives us a maximum moment and that moment starts right now**
- Each one has to shift into gear and into the maximum moment that God has for us now
- **Receive maximum capacity into your spirit**
- Ask God to remove the limitations in your life and from your thoughts
- Ask God to remove the limitations from your body and your soul
- God wants to show us maximum capacity
- God wants to add to us immediately
- It is time to break through and time for wonders
- **We will have to meet God on His terms to have maximum**
- God is Spirit and those who worship Him must do it in spirit
- We must move into the dimension of the spirit
- You can not experience maximum unless you meet God face to face on His terms
- You must enter into that heavenly place
- Stop being 'naturally minded'
- You can only have a true engagement with God if you enter in spirit and get out of the natural
- God is Spirit and we are spirit
- We can move like Christ
- If you don't begin to move like Christ, you will live a life of limitations
- **God wants to give us a life without limitations**
- God wants to open the heavens over our lives
- The scripture says that God has seated us in heavenly places
- **God has called us into fellowship with His Holy Spirit**
- There is a difference between fellowship and relationship
- Relationship is legal
- Fellowship is to interact, engage, eye to eye, communication, heart to heart
- We talk about God but we don't know Him because we don't meet with Him
- **We are going to see Him in 2010**
- Every man and woman that encountered God face to face were changed and their lives had no limits
- **When you meet and encounter God face to face He changes you and increases your capacity**
- God wants us to enter into the dimension of heaven
- **When you will see the Christ for who He really is, you will be changed forever and you will die for the natural realm**
- Many times we worship Whom we don't know
- We are familiar with the incarnated Christ who died on the cross for our sins but we are not familiar with the Christ on the throne
- We don't see the full inheritance because we don't meet Him at the throne
- In 2010 we will enter into the dimension of the throne
- What we will see at the throne is who Christ really is
- Nothing in you can stay the same when you enter
- One encounter will change your circumstance, your nature
- **Jesus while walking the earth said that He does nothing unless He saw His Father do it, this was because Jesus knew His place was in heaven at the throne**

- **When you get to the throne you will begin to live in the realm of your inheritance, the dimension of the spirit, the heavenly seating**
- When blessing starts, it starts in heavenly places
- If you want to be naturally blessed, you will have to enter into the heavenly places
- If you don't meet God face to face, you will have lack
- God wants us to intimately meet Him at the throne
- Prepare yourself to get rid of a mediocre life and see Him for who He really is
- God has no favourites, He can not wait for each of us to come and meet Him face to face

**Genesis 28:10-17** *Jacob left the town of Beersheba and started out for Haran. At sunset he stopped for the night and went to sleep, resting his head on a large rock. In a dream he saw a ladder that reached from earth to heaven and God's angels were going up and down on it. The LORD was standing beside the ladder and said: I am the LORD God who was worshiped by Abraham and Isaac. I will give to you and your family the land on which you are now sleeping. Your descendants will spread over the earth in all directions and will become as numerous as the specks of dust. Your family will be a blessing to all people. Wherever you go, I will watch over you, then later I will bring you back to this land. I won't leave you--I will do all I have promised. Jacob woke up suddenly and thought, "The LORD is in this place and I didn't even know it." Then Jacob became frightened and said, "This is a fearsome place! It must be the house of God and the ladder to heaven."*

- Jacob met with God face to face
- God spoke to Jacob

### **Jacob made three mistakes:**

#### **1. Jacob did not respond**

- Many times we experience God and we enter into worship but we don't transact and speak to Him, we stand passively enjoying God's presence
- God's presence is not to stand back and enjoy, you must respond and do everything to keep His presence with you
- Learn to do whatever it takes to keep God close
- When truth comes your way, don't let go
- Open your life and transact with God
- Make sure you respond

#### **2. Jacob's nature dominated his life**

- Understand that the 'I' the 'self' must go
- Whenever you meet with God you must allow God to change the 'me'
- Your own nature will be so deceitful that you will not be able to receive everything that God wants to give you

#### **3. Jacob moved away from Bethel**

- He left the house of God, where the gateway of heaven was
- He left the place of access
- The consequences:
  - Jacob entered into a heathen's life
  - Because Jacob left, everything in his life was delayed
  - God was still with him but he had many unnecessary problems
- You must never move away from 'Bethel'
- That Bethel place is a good church, your leadership, your good relationship with your spouse

#### **Genesis 35:1**

- When Jacob came to the end of 'self', God told him to go back to Bethel

**Genesis 32:28**

- Jacob met so personally with God that He changed Jacob's name to Israel
- God wants to reveal Himself to us
- God wants you to see yourself for who you really are and come to the end of yourself
- Then God can change your name, your nature and your weakness

**Genesis 35:1**

- When Jacob returned, he was in a place where the promises of God was restored
- If you don't step into this place, you will keep on stepping into religion
- Bethel gives you access to heaven, it gives you access to the throne where you will hear, see, feel and receive all matters pertaining to life and destiny, it happens where you see God face to face
- There are so many people that need heaven and the life of God
- When you meet God in such a way when you begin to worship Him in heaven
- You must become the channel that God uses to touch people
- It is vital that we will consecrate our lives and activate our spirits
- Activate your soul, shift it into the right gear
- Your life counts, start living accurately
- As you begin to meet God face to face, a new flow will begin to flow through you and fill wherever you go
- If you and I want maximum this year, it starts with HIM
- Get into your 'Bethel' place
- Get out of relationship and get into fellowship
- The more you enter the more revelation will come
- We will begin to walk in the spirit and have a maximum 2010
