

THEME: GOD'S NEW ORDER FOR THE CHURCH PART 1

24 January 2010 – Morning Service 1

Senior Pastor HL Bester

Genesis 14:18-23 *Melchizedek, king of Salem, brought out bread and wine--he was priest of The High God and blessed him: Blessed be Abram by The High God, Creator of Heaven and Earth. And blessed be The High God, who handed your enemies over to you. Abram gave him a tenth of all the recovered plunder. The king of Sodom said to Abram, "Give me back the people but keep all the plunder for yourself." But Abram told the king of Sodom, "I swear to GOD, The High God, Creator of Heaven and Earth, this solemn oath, that I'll take nothing from you, not so much as a thread or a shoestring. I'm not going to have you go around saying, 'I made Abram rich'*

Because of Jesus: 1 John 3:8-9, Hebrews 2:14-15

- Jesus destroyed the power of the enemy and because of Jesus we can destroy the power of the enemy
- The system of the world wants to control you, but God wants you to have liberty, to live in abundance, to live victorious
- That is why we must stretch our spirits to take hold of this new order of God
- God is so much with us, that immediately God says that His living water will flow over us, if we are not thirsty, it will bypass us
- God gives us promotion, therefore the company must obey what God says
- Stick to what God says and not become a victim of the system
- Give your best at your company
- You have destiny, God will promote you and you should give your life to God
- God wants us out of that old order
- Your life is the Spirit, not a watch. Do not be controlled by time. God is time
- Don't just walk through the Bible, live through it
- In our hearts there must come a decision where we want to live under this new order of God
- You need to get sick and tired of limitation and struggles
- In the new order there is no struggles and limitations

God's new order is based on a relationship: Face to Face

God will meet us face to face and it can change our lives in one minute.

You will do something and the next thing God will intervene and change the situation in your life.

God is busy with a new order, which belongs to His people.

Stay connected to God, rather cancel a friends meeting, but don't loose your connection with God.

Draw from God, He has strength. Don't draw from people and friends.

- Personal encounter with God can change a nation
 - God can change everything in your life with one encounter
 - Be careful that the system will not take hold of us
 - This is a new order of abundance
 - Get out from the control of the system
 - Under this new order, the people in the system will be threatened and no longer mock us
 - God is raising up a standard for His people
 - You must have a relationship with God, then your wife, company and businesses will be blessed
 - Under this new order, whatever people say, family and pastors, will not bring a curse upon you, because you are part of this new order
 - If the world can get you, they will know that you are useless for God's Kingdom, by keeping you busy with their system

Genesis 14:18-23

- Even kings want the people. If the system has you, they will keep you away from your destiny
 - The world tells you that they make you rich
 - Abraham said that he will not give his people to the king
 - God is fighting for you and you are not even fighting for yourself
 - God has released this order for your protection, for your life, for your destiny, for your prosperity and wealth. This will not be found in the system
-
- We operate through Jesus Christ

New order of God/ Order of Melchizedek: Will be a personal one

- The new order will be a personal encounter
- A time will come when God knocks on your door

1. There will be a sovereign encounter of God upon our lives

In this new order, there is no condemnation.

- He will intervene with His Spirit
 - When you live under this new order, you are no longer alone
 - Limitations will leave you
 - God has intervened for this church and a time will come when God will intervene in your life. He will put His foot down and end it
 - When God tells you that you will be amazing, you reject it, but if family tells you something negative, you accept it
 - New order has to do with God's Kingdom and not our local government
- Our portion operates with the keys of heaven in our hands
 - We carry the keys of heaven in our hands and that is our portion
 - This scripture is for people who want to live under the new order
 - God is your Father and you have a relationship with Him and what belongs to your Dad, belongs to you
 - We must open heaven, we need to ask God what His will is and not focus on circumstances
 - When you go to Him, you will receive
 - When God intervened in Senior Pastor's life, it was never small
- His plans will succeed: Proverbs 21:30
 - There will be a sovereign intervention
 - Jeremiah 29:11
 - Use your keys this morning and God will come through
 - When you are under the new order, nothing can be taken away from you
 - Even your family can become a curse for your life
 - Hold onto God, respect your parents, but don't hold onto them
 - You find sincerity to be in a relationship with your family, but not with God
 - God's plan for you will succeed
 - God will intervene for your life

2. God's order established on righteousness and peace

Romans 14:17

- If you are overweight, you cannot carry what God wants to release
- We must be very mature in order for us to carry the power and peace of God
- God is coming back for a church that is mature
- God loves everyone, but does not trust everyone
- If God must release His power to us, we will abuse it
- Even in the midst of turmoil, we must have joy and peace
- The joy of the Lord is your strength

- No fear in negative situations, God will turn it around
 - We fear because we are not living under this new order of God
 - When you have righteousness and peace, you can carry government in you
 - When you carry government, your yes will be your yes and your no will be no
 - God's Kingdom is not only about love but about discipline.
 - Love and discipline will help you become strong
 - We must not mess up God's business, Senior Pastor will discipline us when we mess up because Jesus paid the price, not us

- Rightstanding before God
 - New base ground
 - A new position of power and rest in God

 - When you have rightstanding before God, there is no way you can loose
 - The new order is to add, not to take away
 - Senior Pastor speaks to himself that he will not run people down
 - If someone wants to run you down, leave them
 - You will come into a new position with power
 - The one thing that is missing in the church is the power of God
 - You have the power to open your mouth and say 'Thus says the Lord' and it will take place
 - In God's order, you must stand strong and firm, no trouble must effect you
 - We must stop being emotional, we must learn from the Spirit
 - If you can't stand strong in small things, how do we expect to be strong
 - We carry rulership and authority that is why we must be strong
 - God wants to use us in this world
 - The church will get so strong now, that the system will get threatened by us
 - It is time that it happens now
 - God must give us the ability not to get affected in the midst of turmoil

Close:

- Did you know that 180 000 born again Christians, are no longer serving God, they are at home
- When you start coming under the new order, people will come against you and people will come against you
- When they come against you, they will loose everything
- People will try and mock you and they will die
