### THEME: GOD'S NEW ORDER FOR THE CHURCH PART 2

31 January 2010 – Morning Service 1

Senior Pastor HL Bester

---

- God is going to send His waters
- You must come to church thirsty or you will lose out
- Every week the waters are getting deeper and deeper
- We must pray at least one hour a day
- If you are not prepared for what God is doing now, you will miss everything that God wants to do in your life
- The old is no longer part of your life
- You need to live in the new order of God
- The old was poverty, the new is abundant blessings
- This is a choice you make
- You can not operate in the old way that you have lived
- The old way will bring confusion in your mind and cause you to stop serving God
- There is a new order and we must get into this new order
- Because of God's grace and mercy, He has released this new order to His church
- Many religious things bind and kill us but God's Spirit gives us that new life
- This new order is based on a relationship with God
- A relationship with God is very important and we can not go without it any longer
- The strength is not people, the strength is God, meet with Him face to face
- Make the decision to get rid of the old life, the new has come
- You can not walk in the old anymore
- The old only has limitations
- The new has no limitations, it is God and man working together
- The world does not want your money, it wants you, if it has you, God does not have you
- Make sure the system is not holding you, God must hold you
- The devil wants us to be controlled by the system
- If you are controlled by the system, you can not be free with God
- In the old order there was a lot of death, in the new order you carry life wherever you go
- The new order is about this new life consuming you
- Make sure you understand this new order
- Come under God's control
- Don't allow the system to control you
- The system belongs to the devil
- Become stronger than the system (the devil) who wants to pull you in
- We must be feared by the devil/system
- We must come into this new order
- We must walk into the market place to change the system
- In the old order there was a lot of poverty
- In the new order, No poverty
- The new order says you'll be blessed wherever you go
- If you are in poverty, you are under the system
- The new order is controlled by God
- God has no poverty
- We must stay under God
- The system puts us into boxes and limitations
- When you stand under God, the whole ocean is for you

**Genesis 14:18-23** *King Melchizedek of Salem was a priest of God Most High. He brought out some bread and wine and said to Abram: "I bless you in the name of God Most High, Creator of heaven and earth. All praise belongs to God Most High for helping you defeat your enemies." Then Abram gave Melchizedek a tenth of everything. The king of Sodom said to Abram, "All I want are my people. You can keep everything else." Abram answered: The LORD God Most High made the heavens and the earth. And I have promised him that I won't keep anything of yours, not even a sandal strap or a piece of thread. Then you can never say that you are the one who made me rich*

- We are not people of dark ages
- Live under the life, God
- The new produces much fruit
- We are living by a new order
- It is a season of favour
- It is a season of growth
- It is a season of abundance
- You must come under this new order
- Abraham made a commitment of saying he will not run after success or stay under the system, he decided to stay with God
- Rise your relationship with God to the next level
- Make God No. 1 in your life
- People are 'gold' but God is more than that
- This order is for the whole body
- Leave the old, the old is no longer good enough
- Allow God to take you to the new order
- If the system controls you, the end of your life will be poverty
- When you stand under the new order, greatness awaits you
- Break religion in your life today
- When you get irritated in God's presence, you are still under the system
- You must love the atmosphere of God
- If you love somebody, you can not stop giving honour, praise and worship

#### **WE CAN OPERATE UNDER THIS NEW ORDER:**

- Old is gone, step into the new
- Living by the new order

#### **GOD'S NEW ORDER/ORDER OF MELCHEZEDEK: A RELATIONSHIP FACE TO FACE**

- This new order is about relationship with God the Father, God the Son and God the Holy Spirit

#### **1. GOD WILL INTERVENE IN OUR LIVES**

- The old is about punishment, when you do something wrong, you fear God
- The new about God's power, you will start hating sin, you love, you worship
- When God intervenes, He takes the old out and puts the new in
- Allow God to take out the old and put in the new
- When God intervenes, nobodies become somebodies
- God will change your name when He intervenes

**Jeremiah 29:11-14** *I will bless you with a future filled with hope--a future of success, not of suffering. You will turn back to me and ask for help and I will answer your prayers. You will worship me with all your heart and I will be with you and accept your worship. Then I will gather you from all the nations where I scattered you and you will return to Jerusalem*

- God has a good plan for you
- You must come under the new order of God
- You must allow God and welcome Him to intervene at any point

## 2. HIS ORDER ESTABLISH ON RIGHTEOUSNESS AND PEACE

**Romans 14:17-18** *God's kingdom isn't about eating and drinking. It is about pleasing God, about living in peace and about true happiness. All this comes from the Holy Spirit. If you serve Christ in this way, you will please God and be respected by people*

- Walk in righteousness, keep it in our hearts
- We get God's government into our lives when we start walking/living in His righteousness
- We need the government of God in our lives
- You need government to handle your spouse/finances/career
- We must not operate in foolishness
- Operate in government
- When you have government, you don't fear anything that's negative
- Righteousness and peace must be an internal character
- Live in righteousness we will know God in the inside
- We will not be affected by trouble
- We will stand firm and strong
- We must come under the new order, Live God's life
- Parents = don't manipulate your children to live like you do. Allow them to come under God's new order
- This new order takes you away from limitations and it will transform you into who you really are, a lion spirit will arise in you

## 3. THE FINISHED WORK OF JESUS CHRIST, REVEAL TO US THE POWER OF HIS THRONE

- God removes sin nature
- Us being a curse, can become a blessing now
- The power of His throne takes the sin nature out of you
- Put living waters in
- The living waters are flowing because of the power of the throne
- Murder starts on the inside of you, you must allow God to put living waters in you and remove the sinful nature in you
- In God's order He takes 'sexuality' away and enables you to love and stay faithful to one person
- The power of God is so big that you will start experiencing the throne
- When you come under the new order, you will experience the power of God exactly like it is
- Weaknesses go, strength come in

## 4. GOD'S ORDER: SPIRITUAL AUTHORITY THAT FLOWS FROM HEAVEN TO THE EARTH

- When you come under this new order it will always be "GOD TO MAN"
- **We must stand: Because of our rulership and authority**
- God does not give spiritual authority to the system
- You must stand!
- In the spirit world, you have the rulership
- When things go wrong, you have the authority to sort things out
- If you come under this new order, you get rulership and spiritual authority
- Our focus is not redemption, our focus is rulership
- If you don't open your life for this new order, people will rule you
- Come under God's rulership
- God is always with you
- God is not in the business of condemnation, He is in the business of deliverance
- The new order is to cut off the lies and the wrong things in your life
- We tramp on snakes and scorpions

**Judges 6:15-18** *Gideon replied, "But how can I rescue Israel? My clan is the weakest one in Manasseh and everyone else in my family is more important than I am." "Gideon," the LORD answered, "you can rescue Israel because I am going to help you! Defeating the Midianites will be as easy as beating up one man." Gideon said, "It's hard to believe that I'm actually talking to the LORD. Please do something so I'll know that you really are the LORD. And wait here until I bring you an offering." "All right, I'll wait," the LORD answered*

- In the new order God is always with you
- The system always tells you how 'bad' you are
- Make God's word over your life more important than other voices
- If God is good and you are under His new order, **you are good enough**
- The church who is under the new order will be dangerous because they will be strong
- The system always saw the church as nobodies, God is changing this
- The church is busy standing up against the system and going out to change the world for God
- The call of God is too great to tolerate disloyal people
- In this new order, you have authority and you have rulership
- You must begin to stand in the gap for your area and your street, God will honour you
- The churches fell because they compromised for people's ideas
- We must take back South Africa for God
- Rulership and authority is not just for one person, it is for everyone who comes under this new order

## **5. THE NEW ORDER BRINGS REVELATION THAT WE ARE PART OF HIM**

**1 John 1:3-4** *We are telling you what we have seen and heard, so that you may share in this life with us. And we share in it with the Father and with his Son Jesus Christ. We are writing to tell you these things, because this makes us truly happy*

- This new order is a revelation that you carry in your heart, you are part of God
- **We are part of Him**
- If we are part of Him, there is no condemnation, there is only deliverance
- When you know God, you carry life in you
- You carry living waters, flowing
- People want to be part of something that's strong and that's winning
- Everybody wants to be part of something
- We are part of God
- God's presence is around us wherever we go
- Your religious mindset will not change people, you need life
- Us and God are taking over
- Hold on to God, don't wait for someone to hold your 'hand'
- When you become part of Him, you produce wealth and abundance
- You will understand the riches that God carries
- God wants to empower your life
- This new order is to empower you
- This new order is to release abundance to you
- The new order is not a decision that we make, it is a decision that God made, there will be abundance in every area of your life
- If you still have limitations or live in poverty, you are not in the new order
- If you put your money into the right place, it will start working for you
- God empowers us to make us victorious
- The new order says the best will come to you

## **CLOSE**

- In the new order you will always have enemies but your enemies will have to bow to you
- Better and greater promises

**Joshua 21:43-45** *The LORD gave the Israelites the land he had promised their ancestors and they captured it and settled in it. There still were enemies around Israel, but the LORD kept his promise to let his people live in peace. And whenever the Israelites did have to go to war, no enemy could defeat them. The LORD always helped Israel win. The LORD promised to do many good things for Israel and he kept his promise every time*

- The same God that gave Israel all the promises, that same God is still on the throne
- Senior pastor has received 138 promises from God
- God is taking us to maximum
- God is moving very fast
- Stand on God's promises
- What took years to happen, will now happen in one day
- When God intervenes, He changes your circumstances/your cell/your whole life
- One encounter with God
- When you accept the word that goes out, it changes you in one moment
- It will cost you discipline to cut the old off
