

THEME: GOD'S NEW ORDER FOR THE CHURCH PART 3

7 February 2010 – Morning Service 1

Senior Pastor HL Bester

- It is amazing to think you can be in the church and you have no sin in your heart
- Now there is living water, anointing and healing flowing through our lives
- We can walk on this earth with no fear
- We are the dangerous people, not the system of the world
- We must affect the world system, people must start to fear us
- We have the authority to trample on scorpions
- Without God you cannot take over
- You must get excited, you are part of a Living God
- The old is gone, we have moved into the future, we have heaven inside of us and God with us

Believe in this New Order and walk with God

Revelation 12:7-12 *"And there was war in heaven: Michael and his angels going out to the fight with the dragon and the dragon and his angels made war and they were overcome and there was no more place for them in heaven. And the great dragon was forced down, the old snake, who is named the Evil One and Satan, by whom all the earth is turned from the right way, he was forced down to the earth and his angels were forced down with him. And a great voice in heaven came to my ears, saying, Now is come the salvation and the power and the kingdom of our God and the authority of his Christ: because he who says evil against our brothers before our God day and night is forced down. And they overcame him through the blood of the Lamb and the word of their witness and loving not their lives they freely gave themselves up to death. Be glad then, O heavens and you who are in them. But there is trouble for the earth and the sea: because the Evil One has come down to you, being very angry, having the knowledge that he has but a short time"*

- The time of the Lord is short, that is why the church must be strong
- Surely God's Kingdom is taking back

The following has been released

1. God will intervene

Jeremiah 29:11-14 *"For I am conscious of my thoughts about you, says the Lord, thoughts of peace and not of evil, to give you hope at the end. And you will go on crying to me and making prayer to me and I will give ear to you. And you will be searching for me and I will be there, when you have gone after me with all your heart. I will be near you again, says the Lord and your fate will be changed and I will get you together from all the nations and from all the places where I had sent you away, says the Lord and I will take you back again to the place from which I sent you away prisoners"*

2. Established on righteousness and peace

Romans 14:17-18 *"For the kingdom of God is not food and drink, but righteousness and peace and joy in the Holy Spirit. And he who in these things is Christ's servant, is pleasing to God and has the approval of men"*

3. Reveal to us the power of His Throne

4. Receive spiritual authority and rulership

5. We are part of Him

1 John 1:3-4 *"We give you word of all we have seen and everything which has come to our ears, so that you may be united with us and we are united with the Father and with his Son Jesus Christ: And we are writing these things to you so that our joy may be made complete"*

6. To rule over the nations through His church

- God Himself wants to rule over the nations through His church
- The only way God can rule over South Africa is through His church
- The church must be strong and know she is
- We must rule with God
- Stop with the "Mickey Mouse" attitude, you are a man and woman of God
- You must know who you are in the Market place
- You are the church and you are part of Him
- God wants us to rule over the nations
- What you carry on the inside of you, makes you
- We must be renewed in our mindset, there is a blockage. Discipline your mind and heart and move into the New Order
- God gave the cross not only for our salvation, we must rule
- Stop being concerned about all your weaknesses
- When is the time coming when we are going to carry strength in us?
- With God we can change a nation
- People are struggling. If the church still struggles, there is a big problem. If we say we have God we must not struggle
- In God there is power
- We as the church sit with the answer, if we are still struggling there is something seriously wrong. Our relationship with God is not healthy
- We must come back to God and stand before God face to face
- We must stop thinking church
- You are only save when you start operating in the New Order
- We must minister from the Throne to people

Revelation 12:7-12

- People need an answer from the Lord, they do not need your answers
- **Ask:** "Lord do I have an answer from the Throne?"
- God must touch their lives
- You must bring people to God
- We must go back to the Word

Psalms 51:10-12 *"Make a clean heart in me, O God, give me a right spirit again. Do not put me away from before you or take your holy spirit from me. Give me back the joy of your salvation, let a free spirit be my support"*

- This scripture must be an outcry in your heart
- There is something very important, "do not cast us from Your presence"
- Money is so little, what God wants to do in the New Order, is so amazing
- When you come into the atmosphere of God for one second, nothing can buy it
- We run after easy life, safety etc
- When we come into the presence of God, we must honour Him
- When last were you in the presence of God for one minute?
- You cannot go to the nations and take over without being/standing in His presence
- We fear because we are weak
- If the church is in sickness, how can God come through?
- The time is gone for the church and the cell shepherds to minister senior pastor's notes. You must want to minister out of the Throne room, out of the Holy Spirit so that you can touch the Market Place
- Why waste a Wednesday evening if God is not there?
- When we gather the presence of the Lord must be in that place

- We are living in a fallen world, God is not condemning them, He is looking for a church that will rise and take over
- We are the hope. Stop hoping for something to happen
- Thank God He is raising up a generation that will believe they can rule with God

Psalms 115:16 *"The heavens are the Lord's, but the earth he has given to the children of men"*

- We have the legal right to be here and to rule with God
- God is raising up a generation that will minister from the Throne
- We must still believe He is the Healer
- We don't depend on God, we are not ministering out of the Throne
- You must have a mindset that you are going to rule with God
- We are in the place of Jesus Christ
- The church must stand up now and start doing her work
- Some Christians are worse than the world
- Somebody must become a voice and say: "sorry this is what the Lord is saying"
- The system want to keep you in captivity
- God wants South Africa/His people to be free
- Something is about to happen, a manifestation of God's power that will subdue the enemy
- His time is short, we must stay strong
- **How?** You don't try to be a lone ranger
- Have people around you that will make you productive
- Stop with numbers, but everybody stays sick. Minister to the people
- We are going to take over and possess
- Cut the devil off
- Temptation is not wrong, when you fall for it, it is wrong
- Christians do not know how to work with money. The way you handle money is the way you will handle people. We must handle our money accurately, then we will handle our people accurately
- Apostles and the Church are rising. It will shake the system
- Senior pastor loves God's Kingdom and His Daddy's work
- What you love, you give your heart for

7. God's covenant of abundant provision and protection will be our part

Psalms 105:8-11 *"He has kept his agreement in mind for ever, the word which he gave for a thousand generations, The agreement which he made with Abraham and his oath to Isaac and he gave it to Jacob for a law and to Israel for an eternal agreement, Saying, To you will I give the land of Canaan, the measured line of your heritage"*

- The New Order has to do with abundant protection and provision
- This provision has nothing to do with money
- **The world and surrounding areas must say:** "The richest people serving the Lord is in DIFC, in the Church"
- When you are faithful you get promotion
- Senior pastor is standing under God's government
- Out of God's government He will release so much to you, you will stand amazed
- His provision and blessings will overtake us
 - Got to do with abundant provision
- It will be released in full measure
- God will release in the full measure
 - We will inherit the land
 - He will give us the City
 - *God will give you people*
 - *Senior pastor wants to make people very strong, we are going to shake South Africa*
 - Good and better promises that will come into fulfillment
 - Deliver our enemies into our hand
 - *God will put senior pastor's enemies in his hand and they will start working for him*

- Salvations cost you nothing. Your spiritual growth will cost your life and money. If not, you will stay where you are
 - Senior pastor is part of the end time success and wealth
 - Gold does not come easy, it goes through the one process to the next process. When it comes out, it is gold
 - God has put senior pastor aside. God's blood will protect him, His Spirit will keep him and the Word will take him forward
 - He will be our Provider and Protector
 - All God's provision is inside His presence
-
- Honour God with your life **e.g.** the way you talk to your wife, the people you work with, when you are alone. Everything in you, must honour God
 - Come to church with an open cheque book for example
 - When you stop giving to God, you stop the cycle of provision
 - Make sure you don't run people down
 - Make sure you are busy with the New Order
 - **Danger about the New Order:** It is easy to go back to your own life
 - God's rulership or covenant is not cheap
 - He wants to release abundant provision to you
 - This ruling is not to control people, it is based on relationship
 - God wants us to stay strong and wants us to rule

Closing

- The cycle's of God's provision will increase
- God wants to rule the nations, it is based on love
- "LET MY PEOPLE BE FREE"
