THEME: HOW TO WALK IN GOD'S NEW WAY

21 February 2010 – Morning Service 1

Senior Pastor PN Bester

INTRODUCTION - PRAYER

Lord, You are moving us into times, where time will no longer be an issue, where we can meet with You face to face. A time where we will forget about the things around us. A time where we will lie before You, enjoy ourselves in You and not worry about the people around us. A time where we will have a hunger for You, it will not just be a Sunday thing or Wednesday thing, we will want to sit at Your feet, You are bringing us back to the place where we will just want to be in Your presence. Thank you for the Holy Spirit in our lives. We give you all the glory this morning. Our hearts are crying out to you this morning, we love you this morning. It is only You Lord who can satisfy our souls, it is all about You Lord

THEME SCRIPTURE: ROMANS 8:28-30 *And we know that all things work together for good to them that love God, to them who are the called according to his purpose. For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified*

- We need to stay in touch with God and nothing can take away that peace
- We are serving a God who is alive
- We are worshipping a Living God therefore we can enjoy His presence, we can shout before Him because He is worthy to be praised
- We are moving deeper and deeper into a level with God, where we have never been

Matthew 6:33

- 'Seek God first and then all other things will be added unto you'
- God says that we have to love Him above everything else
- He says that if we seek Him first, all the other things will be added unto us
- God has been walking with this church and He is taking us step by step to where we need to be
- Our relationship with God will be in order and we need to seek His righteousness more than ever before
- We must be careful how we speak and what we say
- What comes out of our mouths?
- Filthy language should not be a part of our lives and mouths
- So many times we use a swear word and we think that it is funny but it does not please God
- We need to get rid of all the things which do not please God
- When our love increases, we will want to worship God and we will want to please Him
- God wants us to cut off all the worldly things
- There is no turning off, we cannot compromise anything anymore
- Compromise leads you to captivity
- We cannot live with sin anymore in our lives
- Everything will work for the good for those who love Him
- Our attitude will change when we are in right standing before Him
- We will enjoy serving God it will be pleasing for us

Jeremiah 29:11

- God has good plans for us
- When He formed us in our mothers womb, He already had a plan for us
- Our purpose is to please God

1 Peter 2:9

- We are a chosen people, we are royal priesthood, God's holy nation, His very own possession
- He put our names in heaven, He knew what we were going to be
- God keeps us responsible and we will be kept accountable because we do not respond
- God wants all of us to live a life of prosperity
- God has chosen us as a royal priesthood, He has called us out of this life
- People must be able to see that we enjoy pleasing God
- It is His grace that has called us out of darkness, to make a difference in many peoples lives
- People will not follow us if we do not show the goodness of God in us
- God knew you before you were formed in your mothers womb, your parents might have given you a name, but you need to find out what the name is which God has intended for you and live according to it
- We need to live like Jesus
- Our friends need to know that we are serving God
- Our lives must be in order
- When we are not seeking the righteousness of God, when we are constantly battling with negativity, in depression, the past, then we are not living in right standing with God
- We must make a decision that we are no longer going back to the things of the past and we need to stick with that decision
- All of us have a choice to do so
- When you let go of the past, God can work with you
- Your past makes you tired, get rid of all the baggage because God wants to take us forward and take us to a level we have never known before
- You have a choice in life to let go, deal with the things which make you sick
- You cannot do anything for God when you are sick even in the spirit
- God cares for you individually and He wants you to live a Holy Life
- The most lies are found in our minds
- God wants the best for us
- God has ordained it, 'We will have a life of prosperity!'

Romans 12:1-2

- Renew your minds and give your body as a living sacrifice to God
- People in the church even suffer from spiritual poverty, they lack truth
- It is in the presence of God where we can renew our minds
- Stop talking negative, refuse to do so
- God has put husbands and wives together to help each other
- Where the one is weak, the other must pull the other one up
- It is better to speak about the goodness of God
- You will see how everything will work to the good because you seek Him first
- People stay weak because they refuse to put God first
- You cannot be part of the new order of God and still be negative and still live the same way you have lived 5 years ago
- In the new order, you will live your life for God's purpose, you will ask God to use you and you will reach your destiny, the one which God has ordained for you
- God is busy moving things, He is sending finances to the church
- You must move with the cloud of God, do not miss it
- As you think, you will receive
- If you think big, you will receive big
- Your feet will never take you where your mind has not been
- You need to see God at the Throne before you can go there
- How can you go somewhere if you cannot see it
- See yourself in that new position and your feet will take you there

Proverbs 3:25

- When we seek God, He will protect us
- God is our security, in Him we are safe and He will keep your foot from being in a trap

- Break the cycle of defeat, break the cycle of addiction and the cycle of abuse over your life and ensure that it will not be passed onto your children
- It is a new day, it is a new order, you do not need to live the way that your mother and father lived
- Break the curse of divorce
- Break the curse of 'just making it every month or in your life'
- God wants you to break everything this morning, he wants the curse of anger and depression to go
- Let God know that this spirit will not be a part of your life
- The new order is like an eagle
- God wants us to come in this morning, come under the wings and come under the protection of God
- If your parents slept around, this will not be part of your life, break the cycle this morning

- Our children will be healthy, we will bring forth children and grandchildren who are healthy

Romans 8:30

- God has called us to come to Him
- God gave them right standing with Himself, so that we can have God's glory and abundance this morning
- Stop thinking with the natural mind, get your mind connected and break through
- If you have not met God in heavenly places, how can we meet with God in heaven
- If we do not know who God is, how can we meet Jesus and represent Him?
- You need to believe that you are the son of God and that you are a somebody
- Believe it and let God know that you are desperate and that you are going to cut yourself off from your past and that you are going to rest under His wings
- Provision is in God and not out of God
- When you come into the presence of God, the negative emotions will not be a part of your life
- Make a decision to get rid of the things which are holding you back
- It is not about how you feel but about God, stop obeying your feelings, obey God
- Ask God to change you, give it to Him
- He is so serious this morning, that He wants you to get rid of it
- When you see God face to face, nothing will give you more pleasure
- Things will change around
- Circumstances will no longer affect you, you will rule over it
- Love will increase and everything else in your life will decrease
- There is provision in God's presence, He wants to give it to us
- You will not be distracted so easily because you will know your purpose

- God wants us to be victorious
- The devil is playing with us and we are allowing him to play with us
- But everything will work for the good for those who love Him

In closing

- God, enough is enough, we must get to know Him face to face
- Get rid of the sin in your life, anything that holds you back is a sin in your life
- Give it to the Lord this morning
- Let God know that enough is enough, you no longer wanting to listen to the voice of the enemy
- Let God know that you want to become like His son
