

DUNAMIS INTERNATIONAL FAMILY CHURCH

THEME: GOD SPEAKING TO US: MAXIMUM YEAR PART 2

28 March 2010 – Morning Service 1

Pastor Wentzel du Plessis

A mighty wave of abundance is coming to this church which is going to maximize this church in an amazing way.

- This is God's plan and God is going to perform it
- God wants to maximize our lives in an amazing way
- God is going to do it
- God we are positioning and aligning ourselves
- God has already decided that He is going to hit this church with abundance
- We must not be concerned about the decision, which has already been made
- We must make sure that we work with God and not be concerned how it will be done
- We must align ourselves and ensure that we will not restrict what God is going to do in our lives
- *'God I know that heaven has made a decision to release maximum in my life'*
- *'God I make a decision that I will align myself and that I will co-operate and that nothing within me will frustrate what You want to do'*
- There is no use to try and maximize your life with things, which are important to you
- Maximize your life with the things of God
- God will add to you
- With God it is first things first
- God has made a decision this morning

John 10:10 *A thief is only there to steal and kill and destroy. I came so they can have real and eternal life, more and better life than they ever dreamed of*

Jeremiah 29:11 *For I know the thoughts that I think toward you, saith the LORD, thoughts of peace and not of evil, to give you an expected end*

Genesis 22:14-18 *Abraham named that place GOD-Yireh (GOD-Sees-to-It). That's where we get the saying, "On the mountain of GOD, he sees to it. The angel of GOD spoke from Heaven a second time to Abraham: "I swear--GOD's sure word!--because you have gone through with this and have not refused to give me your son, your dear, dear son, I'll bless you--oh, how I'll bless you! And I'll make sure that your children flourish--like stars in the sky! like sand on the beaches! And your descendants will defeat their enemies. All nations on Earth will find themselves blessed through your descendants because you obeyed me"*

- God has made a decision, it has nothing to do with a decision of man but of God
- God will shine upon His people, His church will be the head and not the tail
- He will hit this church with abundance
- God is going to put this church like a light on the hill
- We will arise and we will shine, Heaven has made this decision
- It is important for us to solve the decision God has made
- We must make sure that we do not miss it
- Re-align every aspect of our lives
- It is God's time
- Don't look at yourself, look at God
- Shift your focus away from you and get your focus on what He says and who He is and surely that Word will be aligned in your life
- If you want the maximum wave of God to hit you, do not spend time maximizing yourself in the wrong things, such as your business, your personal finances etc
- God wants you to maximize yourself in Him
- This is a priority this morning

The following points need to be looked at in order for us to establish accurate heart before the Lord and to be ready to surf and enjoy the wave of God.

1. Stay with the proceeding Word of God

- **Hebrews 4:12** – The word is alive and powerful
- If you read the written word only, you will only be filled with knowledge
- Fill yourself with the revelation word, then your spirit will be filled
- Men shall not live on bread alone but on the proceeding word of God
- You can stay alive on one proceeding word, it can take you to that place called destiny
- Stay with the proceeding word of God
- **John 6:63** The Spirit can make life. Sheer muscle and willpower don't make anything happen. Every word I've spoken to you is a Spirit-word and so it is life-making
- If the proceeding word says that God is taking you to the place of destiny, then it will carry you through
- Joseph received the proceeding word, a dream but the very next moment his brothers sold him as a slave
- Joseph suffered and went through severe pain but what kept him going was the proceeding word
- Your struggles always want to take you back
- The proceeding word will keep you on track
- Proceeding word keeps you safe and you will be pulled out of your situation and it will bring you into the dimension of God
- Open your heart and define the Word which God has spoken to you
- Take hold of the proceeding Word
- You will not make it if you do not hold onto the proceeding word
- The word which God speaks and releases shall not return void
- That word will accomplish, it will take you there
- Stay with God's proceeding word
- God still gives us grace to build the right stuff in us
- He wants to take you all the way
- Let God take you to the place called finish

2. Be alert of those Destiny Thieves

- Begin to find a place in God where the flesh can no longer operate
- Beware of the things you worry about
- Don't get involved with the wrong people and fall into wrong relationships
- Destiny thieves can come in through your flesh, circumstances etc
- The Destiny thieves wants to steal your focus, it wants you to make the first things last and the last things first
- Shut down your past
- You need to begin to identify these things
- Get hold of the Proceeding Word
- When you take hold and tap into the spirit, the flesh can no longer keep you captive
- Walk in the spirit, Galatians 5 and you shall not fulfill the desires of the flesh
- When you are in the spirit, you cannot live in the flesh

3. Take up the mantle of your Senior Man

- 1 Kings 19, 2 Kings 2
- Elisha walked with Elijah
- We need to begin to see what God has given to the man and we must take it up
- Elisha took the mantle of Elijah, he said he wants to serve the God of Elijah
- If you take up the mantle of the man, you connect with the God of the man
- You need to let go of self, you are the biggest obstacle in the plan of God
- You must let of YOU
- Do not represent yourself, represent God and the set man
- If you represent yourself, you give second best

- What you are is not sufficient, that is why you get burnt out
- Give the mantle to the people, let them drink from the well of the Set man and not you
- If you are not faithful with that of another, how can God give you more?
- **Luke 16:12** *'If you're not honest in small jobs, who will put you in charge of the store?'*
- There are people who are extremely poor in the church, they are in complete dire straits because they do not understand how God works
- Get rid of me and become faithful with what God has given to the Set Man
- The mantle will keep you pure and aligned
- You will not stay stuck with your own things for longer than a day, when you hold onto the mantle of the set man and when you drink from their well
- God wants to give you the power to execute and then movement will take place
- The Israelites were living in fear of the giant but when God gave David the stone, movement took place
- David was connected and he had the power to execute
- The Israelites moved out of their fear and movement started
- Husbands be connected and a new movement will take place in your house
- Leaders be connected and a new movement will take place
- Elijah carried the word, Elisha lived it
- The sound of our voice will cause the enemy to fall

4. Take up the pattern of our spiritual father and develop those patterns that can maximize the power of God in your life

- When you ask people if they are ready, most people will say no
- You need to develop consistent patterns because then there will not be restriction in the conjure pipe for the spirit to work through
- God prepared Jesus and for 30 years he took up Godly patterns where God could move through Him
- We need to take up the patterns of our fathers
- **Philippians 3:17** *'Stick with me, friends. Keep track of those you see running this same course, headed for this same goal.'*
- **Philippians 4:9** *'Put into practice what you learned from me, what you heard and saw and realized. Do that and God, who makes everything work together, will work you into his most excellent harmonies.'*
- Some of us serve religion and not God
- When you serve God, your life will change
- When you serve religion, you will stay the same
- Don't be caught up in the system of religion
- It is important for us to take hold of consistent patterns because then you can develop a capacity to handle the things of God
- You will begin to carry the proceeding Word
- Godly patterns helps you to take up responsibility and this brings growth in the things of God
- If you don't take up responsibility, you will not grow

Closing

- Change your focus from YOU and put your focus on God
- 'It is no longer I that live but Christ who lives in me'
- The Me factor constantly wants to make things work but you need to make the life of God work in you
- Give people the well, give people the mantle
- Allow the life of God to work through you
- You will no longer focus on self and you will not take up offense
